In The Master’s Key, you will be challenged to reflect on the pain and joy of your life and consider how God has used those very experiences to reveal his purpose and plan—both for you and for his people. From Moses to Paul, and from David to Jesus, the biblical accounts of these people demonstrate to us how God uses our experiences to forge each of us into becoming the key to unlocking God’s purpose for our lives. As individuals, we are capable of amazing things—and as such, through our trials and our experience, we become keys to open more opportunities. Explore triumphs and tragedies of God’s people and how their journeys can mirror our own, as we get closer to becoming keys for God’s purpose—or in this case, the Master’s Key.

The Master Key System May 31 2022 First published as a 24-week correspondence course in 1912, and then as a book in 1916, Charles F. Haanel's "The Master Key System" is a classic work of self-empowerment. A principal text of the New Thought movement, "The Master Key System" describes how one can use the law of attraction to creatively visualize a better life for oneself. As Haanel describes in his introduction to the "The Master Key System," "Nature compels us all to move through life. We could not remain stationary however much we wished. Every right-thinking person wants not merely to move through life like a sound-producing, perambulating plant, but to develop--to improve--and to continue the development mentally to the close of physical life. This development can occur only through the improvement of the quality of individual thought and the ideals, actions and conditions that arise as a consequence. Hence a study of the creative processes of thought and how to apply them is of supreme importance to each one of us. This knowledge is the means whereby the evolution of human life on earth may be hastened and uplifted in the process."
