The Word on the Street, Year B May 10 2021 In The Word on the Street, John Martens brings the Bible to where people live: in the church, at home, at work, and in the broader world. This Lectionary commentary for every Sunday of the liturgical year will help readers understand the Bible in light of their daily lives, experiences, and challenges, and help Sunday Mass preachers find new ways to articulate God's work in the world. John Martens is known for his contributions to The Word, a popular column in America magazine. The Word on the Street, Year B is the second book in a three-volume series that presents scriptural, liturgical, and preaching commentary for Sundays throughout the year.

The Voice, the Word, the Books Dec 25 2019 Drawing on the latest Biblical and Quranic scholarship, the human fingerprints on the Hebrew Bible, the New Testament, and Quran are examined in an extraordinary journey through centuries of the transmission of faith from the spoken word to the written page.

She Reads Truth Jul 24 2022 She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know

what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

Eat the Word, Speak the Word Sep 02 2020 We are all familiar with Bible teachers whose knowledge fails to translate into vision, action, or understanding. Conversely, there are teachers whose prophetic gift is considerable—but their grip on Scripture is weak. Christians are easily misled, becoming “prophet hunters rather than God chasers,” as Rachel puts it. However, a good Bible teacher, honed by meditation on the Word to be alert to the Spirit's leading, is truly worth hearing. This balanced approach is a foundational element of Christian ministry.

The World and the Word Nov 04 2020 The World and the Word

is a fresh introduction to the Old Testament driven largely by the fact that so much Christian preaching and teaching today increasingly ignores what is eighty percent of the Bible. Authors Eugene Merrill, Mark Rooker, and Michael Grisanti work through the world and text of the Old Testament always making three major points: • The Old Testament is a rich source of theology and doctrine that is presupposed by the New Testament. Without it, Christian theology would be seriously deficient. • Mastery of the Old Testament is crucial to an understanding of the New Testament. • The Old Testament offers, by teaching and example, practical principles of belief and behavior for contemporary times. Who God was and what He did then can be replicated in the lives of men and women today. Separating the verifiable biblical and extra-biblical data from the various interpretations of that same information, the book further shows how the Old Testament forms the platform and matrix from which sprang the life, ministry, and teachings of Jesus and the church. *The World and the Word* will help students see an entry point into the very heart and design of God who loves them and wishes to make them the special object of His grace.

Shaped by the Word Nov 16 2021 This book explores the role that scripture plays in spiritual formation. Mulholland examines obstacles often encountered in spiritual reading and introduces a new approach to reading that will enliven the scriptures. He also compares informational reading (reading to be informed) with formational reading (reading to be spiritually formed). Readers are released to God's initiative, allowing the scripture to form a spiritual life inside themselves.

The Word Book Dec 29 2022

The Lord's Voice Cries to the City Mar 08 2021 This book is about hearing the Word of God preached boldly, plainly and

faithfully. It is particularly aimed at the Christian sitting in the pew who is required by God to hear the Word of God preached with spiritual profit to their soul. However, many pastors today would also do well to hear the contents of these chapters since their performance allows, or not, the ability for the Christian to accomplish the intended ends when they hear the Word preached. If they are negligent in preaching, the hearer can never do his commanded duty. One might think that a book about “preaching” concerns hermeneutics or exegesis, or more especially, homiletics, and not particularly directed towards the Christian. This work, however, is neither about hermeneutics, or homiletics, per se. It is primarily directed at the Christian hearer, though much will be said about the minister and his pulpit ability. Many good books have dealt with being called to the ministry, or being faithful in study for preaching, or for aid in sermon preparation. Though this work may touch on all these things, and much more, it is really directed at what Christians ought to expect when the minister stands up to preach in the pulpit. If the minister is not fulfilling his office as it should be intended, what is the final result? What should the congregation see, hear and expect in this regard, biblically speaking? Reader, what do you expect?

Person of the Word Nov 23 2019 "The Person of the Word" shares the accumulated experiences and insight of John Brandon Murray, as he has pursued his Christian walk over the last 25 years. The book is provocative because it challenges several Christian traditional norms and mindsets that have been adopted by the modern day church. The purpose of the book is to motivate the dormant Christian unto action, growth and maturity by recognizing the power of the Word of God and the awesome opportunity that exists for those of us who have access to The Word to study and to know The Word for ourselves. Topics such

as, "The Old man and the New Man", "God is always calculating", "Once saved, always saved?", "perfection and Imperfection", "The Tithe", and "God's Conditional Love" are all examined in relation to the Word. Some of these topics are controversial, but have been simplified in this book. What does the Word have to say about these topics and in particular, the New Testament Word of God? God wants his church to step up and to measure up to the full image of Christ. When you read, you will understand very clearly that there is no excuse to be living a sinful lifestyle and one that is contrary to the Word because we are not debtors to the flesh to live after the flesh, and the same powerful Spirit that raised Jesus from the dead lives within us, if we have been born again. In addition to this, we have the Word, who shows us what to die to, and what to live for. As a Christian, God has called you to be a conqueror, not a Coward, a Victor, not a victim. We have been called to Overcome, not to be overcome. The battles that we face in life, we fight not on our own, but with God who is also in us, and so we are expected to fight and to win. If you have been intrigued by what you have just read, then read "The Person of the word".

Into Thy Word Apr 21 2022 This book is about how to read and study the Bible. This book is about getting the non-Christian to learn how to study the Bible, and this book is for the Pastor and theologian who needs to have their "refresh" button pressed. This book is in fact for anybody desiring to know the Book of ages. If you are new to the Word or are a seasoned teacher. If you do not know where to begin, or you have tried countless times and feel overwhelmed and frustrated, this is the book for you!

Biblical Christianity: Spirituality According to the Word Oct 23 2019 This is a compendium of five books about specific aspects of Christianity. I originally wrote this series of books after an NDE, when I went looking for answers and kept finding only questions. I sought comfort and peace for my damaged, embattled mind. I found it in the Bible. I was also shocked by the blatant contradictions I found between what the Bible says and what the church teaches. I truly felt called to write these books, and that same call continues to this day. I feel like I have a mission: not to convince anyone of anything, but to point out these contradictions and issues so that people can consider them for themselves. The five books collected within are "The Truth About Christianity," "The Gospel Unpacked," "Parsing the Parables," "The Devil Unmasked," and "Revelation Revealed." They've been out for two years now and I've kept praying and learning, so I've made a few minor updates. Still, they are informative and hard-hitting. This book pulls no punches. It is my genuine hope that this book helps you find, have faith in, and grow closer to God.

Fresh From the Word 2021 Jun 23 2022 "God is a poet, paying

exquisite attention, crafting the words to pull our heartstrings, connecting our pulse to the great pulse of life. God is a priest, intoning the chants that tie earth to heaven, invoking our prayers, summoning our spirits to reach beyond. God is a prophet, commanding our attention, provoking our outrage, channeling our best intentions.” So writes author and scholar Carla Grosch-Miller for the last day of 2021 in this year’s Fresh From The Word: The Bible for a Change. And indeed you will meet this God in the reflections of the writers in these pages. At turns poetic, priestly and theological, prophetic and inspiring, Fresh From The Word 2021 invites you to the discipline of daily Bible reading with readers around the world. Discipleship is the focus of Lent this year in Fresh From The Word 2021: discipleship as a way of following Jesus Christ ‘into the unknown’, growing, and facing challenges. Other themes include reading the Bible through the seasons, surprising women in the Bible, family tensions in Genesis, and riddles in the Bible, and more. The book also features continuous readings from the Gospel of Mark, the shorter epistles of the New Testament, Job, Galatians, Revelation, and the Minor Prophets. Fresh From The Word: The Bible for a Change 2021 will inspire your Bible reading in a time of change. Bringing together theologians, scholars, creative writers, church leaders, and activists from around the world, it offers notes, prayers, and further thought suggestions for every day of the year. Contributors this year include: Buenos Aires-based liturgist and activist Dafne Sabanes Plou on the mercy of God, prison chaplain and Pentecostal pastor Deseta Davis on God and prison life, blogger and playwright Aileen Quinn on growing with God, Shetland Methodist minister David Lees on numbers in the Bible, pioneer minister Tim Yau on Peter the church leader.

Evolution of the Word Jun 30 2020 By presenting the New

Testament books in the order they were written, bestselling Bible scholar Marcus Borg reveals how spiritually and politically radical the early Jesus movement began and how it slowly became domesticated. Evolution of the Word is an incredible value: not only are readers getting a deeply insightful new book from the author of *Speaking Christian* and *Jesus*, but also the full-text of the New Testament—and one of the only Bibles organized in chronological order and including explanatory annotations that give readers a more informed understanding of the Scripture that is so close to their hearts and lives.

Growing in the Word Aug 13 2021

The Word of the Lord Came to the Prophets Jan 26 2020 The Bible, the Word of God, has been a part of my life. We had family devotions mornings and evenings, Sunday school, and worship services. These continued to draw me into the Word. When I was in high school, I started to read the Bible through in a year, which I have continued down to the present times. It was when I was in the seminary that I was inspired to mark a special verse in every chapter of the Bible. Some chapters were so full of gems of truth that I chose several. The prophets are a source of amazing truth about life and our relationship with the Lord God. The prophets have influenced my life in many ways. Isaiah is full of good news. Jeremiah speaks volumes about how I live. Ezekiel draws me into the drama of faithfulness. The other prophets have enriched me in many ways.

Women of the Word Dec 17 2021 We all know it's important to study God's Word. But sometimes it's hard to know where to start. What's more, a lack of time, emotionally driven approaches, and past frustrations can erode our resolve to keep growing in our knowledge of Scripture. How can we, as Christian women, keep our focus and sustain our passion when

reading the Bible? Offering a clear and concise plan to help women go deeper in their study of Scripture, this book will equip you to engage God's Word in a way that trains your mind and transforms your heart.

The Gospel According to John Feb 19 2022 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

The Word of Promise: a Handbook to the Promises of Scripture. [Selections from the Bible.] By Horatius Bonar Aug 21 2019

Witness to the Word Aug 01 2020 Karl Barth's lectures on the first chapter of the Gospel of John, delivered at Muenster in 1925-26 and at Bonn in 1933, came at an important time in his life, when he was turning his attention more fully to dogmatics. Theological interpretation was thus his primary concern, especially the relation between revelation and the witness to revelation, which helped to shape his formulation of the role of the written (and spoken) word vis-a-vis the incarnate Word. The text is divided into three sections - John 1:1-18, 19-34, 35-51, with the largest share of the book devoted to the first section. Each section begins with Barth's own translation, followed by

verse-by-verse and phrase-by-phrase commentary on the Greek text. Although Barth's interpretation is decidedly theological, he does take up questions of philology and textual criticism more thoroughly than in his other works. Much has happened in Johannine scholarship since these lectures were first delivered, yet they remain valuable today - 100 years after Barth's birth - both for their insights into the gospel and into Karl Barth.

Feasting on the Word Dec 05 2020 With the twelve-volume series *Feasting on the Word*, Westminster John Knox Press offers one of the most extensive and well-respected resources for preaching on the market today. When complete, the twelve volumes will cover all of the Sundays in the three-year lectionary cycle, along with moveable occasions. The page layout is truly unique. For each lectionary text, preachers will find brief essays--one each on the exegetical, theological,

pastoral, and homiletical challenges of the text. Each volume will also contain an index of biblical passages so that nonlectionary preachers may make use of its contents. The printed volumes for Ordinary Time include the complementary stream during Year A, the complementary stream during the first half of Year B, the semicontinuous stream during the second half of Year B, and the semicontinuous stream during Year C. Beginning with the season after Pentecost in Year C, the alternate lections for Ordinary Time not in the print volumes will be available online at feastingontheword.net.

The word speaks to the Faustian man : a translation and interpretation of the Prasth?natray? and ?a?kara's bh??ya for the participation of contemporary man. 4. Ch?ndogya Upani?ad Oct 03 2020

The Chandogya Upanisad: The culture it reflects is remote and archaic, the texture of its ritualistic and contemplative symbolism thick and dense-virtually a closed book for us moderns. A sustained self-submitting attentiveness, however, discloses its language as resonating disturbingly modern notes, focusing our attention on many of our pathologies as well as our possibilities, pathologies and possibilities that have escaped the notice of us moderns. The spirit of quiet hermeneutics that characterizes this study illumines many an opaque spot in this text, solves many an interpretive puzzle, turns many of its 'archaic naivetes' into living and compelling profundities. We are made to realize that what some moderns call Gestell is far more primordial than they would envisage it to be, far more ominous and primitive, tragic and persistent. A radical transformation is required, an ontological transformation. Not mere 'a masterly exposition' of an ancient text is, therefore, this study, but 'an authentic springboard for fresh philosophical thinking fecundating (the) two shores of the human experience:

East and West'. The first three (published) Vols. are on (i) Isa, Kena, Katha and Prasna Upanisads; (ii) Mundaka and Mandukya Upanisad with Gaudapada Karika; (iii) Taittiriya and Aitareya Upanisads.

Psalms 4 Jan 06 2021 What does our relationship with God look like? How do we communicate with God? How do we walk with Him? The Book of Psalms presents the Christian life in vivid color. It teaches the language of worship. It leads us through the emotional jungle of life. It equips us for battle. The believer may not read Leviticus every day, but he must know that the Psalms

are for every day. Jesus Christ had the words of the Psalms on His lips as He hung on the cross, and His followers will live and die with the Psalms. This is why we must teach our children the Psalms! If these precious ones will walk with God, engage the battle, and worship, then they certainly must know the Psalms—every one of them. This book continues a series of lessons that Kevin Swanson is writing for his own five children as he disciples them on the eastern plains of Colorado. Each lesson includes:

- Convenient categorization and contextualization of each Psalm
- Exposition of each Psalm explaining the meaning in simple terms
- Description of the emotions that weave through the Psalm
- Family-life application of the Psalm for parents and children
- Summary of what the Psalm teaches about worship
- Content and discussion questions to facilitate discussion and application

The Voice, the Word, the Books Nov 28 2022 Jews, Christians, and Muslims all believe that their Scriptures preserve God's words to humanity, and that those words were spoken uniquely to them. In *The Voice, the Word, the Books*, F. E. Peters leads readers on an extraordinary journey through centuries of written tradition to uncover the human fingerprints on the Hebrew Bible, the New Testament, and the Quran, sacred texts that have enriched millions of lives. Bringing the latest Biblical and Quranic scholarship to a general audience, Peters explains how these three powerfully influential books passed from God's mouth, so to speak, to become the Scriptures that we possess today. He reveals new insights into their origins, contents, canonization, and the important roles they have played in the lives of their communities. He explores how they evolved through time from oral to written texts, who composed them and who wrote them, as well as the theological commonalities and

points of disagreement among their adherents. Writing in the comparative style for which he is renowned, Peters charts the transmission of faith from the spoken word to the printed page, from the revelations on Sinai and Mount Hira to Mamluk ateliers in Cairo and Gutenberg's press in Mainz. Peters is an acknowledged expert who has written extensively on these three great world religions, each of them an inheritor of the faith of Abraham. Published in conjunction with an exhibit at the British Library, this illustrated book includes beautiful images of the rare editions on exhibit and constitutes Peters's most ambitious and illuminating examination yet of the sacred texts that so inform civilization both East and West.

A Theological Word Book of the Bible Aug 25 2022 This is a book which every minister worth his salt theologically ought to have; it will do his preaching more good than many volumes of ready-made sermons.' (A. M. Hunter in *The Expository Times*) 'A book by scholars for the intelligent layman and the working minister or lay preacher. All these will find here, readily available, help towards the better understanding of the text of the Bible.' (T. W. Manson in *The Manchester Guardian*) 'It is a rash undertaking to forecast the probable future of books. But this one will probably take its place with Peake's Commentary and the Hasting's Dictionaries as an indispensable tool for preachers.' (Methodist Recorder)

Holding Forth the Word of Life May 30 2020 *Holding Forth the Word of Life* is a collection of essays offered to honor Tim Meadowcroft on his retirement from Laidlaw College. An international authority on Daniel, over the last twenty-five years Tim has established himself as one of New Zealand's leading biblical scholars. While specializing in Old Testament, Tim has taught and published in New Testament as well as hermeneutics and theological interpretation of Scripture. Beyond academic

work he has also remained committed to the church and its voice in wider society. This collection of essays, written by leading scholars from New Zealand and beyond, covers all of these areas—Old Testament, New Testament, intertestamental texts, hermeneutics, theological interpretation of Scripture, reception history, and theological reflection on pressing issues facing society.

Ways of the Word May 22 2022 Preaching, and the discipline of preaching, is at a crossroads. The changing realities of church and theological education, the diversity of our classrooms, and our increasingly complex community contexts leave us in search of tools to help train a rising generation of preachers for a future whose contours are far from clear. The questions are immense: How to support preachers in contexts that are diverse religiously, culturally, and ethnically, both inside and outside the church? How to help students take varied contexts seriously as

they are formed as leaders? In *Ways of the Word*, a dynamic team of master preachers brings much-needed help. Different in race, gender, age, and tradition, both Sally A. Brown and Luke A. Powery speak with one voice their belief that preaching is Spirit-empowered event: an embodied, vocalized, actively received, here-and-now witness to the ongoing work of God in the world. They aspire to help students and preachers alike to reflect on a journey of learning by doing. They aim to help preachers to become more attuned to the Spirit, more adept in preaching's component skills, and more self-aware about all that is at stake in proclaiming the redemptive work of God in specific contexts.

The Visual Word Oct 27 2022 The New Testament shouldn't be complicated. So why are we often confused? Every Christian wants to love the Bible. But let's face it: we sometimes get lost in all the names, places, and doctrines that we find in its pages. Who wrote this epistle? Which book is about justification? Joy? Jesus? Aren't they all about him? The New Testament contains complex ideas and multiple genres. Keeping it straight can be hard to do. Wouldn't it be nice if somebody who understands the big picture would put it together for us in one place? Biblical scholar and seminary professor Patrick Schreiner draws from his years of experience as a teacher to offer a simple and memorable way of understanding Scripture. And he doesn't do it by throwing big words at you. The contours of the New Testament and its underlying structure are depicted in visual format along with Schreiner's clear explanations. In *The Visual Word*, the Bible comes alive because you can see it pictured before your eyes. By taking a graphic approach, you'll notice connections you've never seen before. Gain insights you've missed all these years. And discover an overall pattern that makes each separate

piece fall perfectly into place. Don't settle for mere summaries of the New Testament. Let Schreiner's concise words and crisp images work together to help you encounter the Living Word in a fresh way.
