**Stone Cold** Jun 26 2022 "The electrifying new Joe Pickett novel from the New York Times-bestselling author. Everything about the man is a mystery: the massive ranch in the remote Black Hills of Wyoming that nobody ever visits, the women who live with him, the secret philanthropies, the private airstrip, the sudden disappearances. And especially the persistent rumors that the man's wealth comes from killing people. Joe Pickett, still officially a game warden but now mostly a troubleshooter for the governor, is assigned to find out what the truth is, but he discovers a lot more than he'd bargained for. There are two other men living up at that ranch. One is a stone-cold killer who takes an instant dislike to Joe. The other is new-but Joe knows him all too well. The first man doesn't frighten Joe. The second is another story entirely"--Provided by publisher of hardcover edition.

**Open Season** Feb 08 2021 Don't miss the Spectrum Originals series JOE PICKETT! The first novel in the thrilling series featuring Wyoming game warden Joe Pickett from #1 New York Times bestselling author C. J. Box. Joe Pickett is the new game warden in Twelve Sleep, Wyoming, a town where nearly everyone hunts and the game warden—especially one like Joe who won't take bribes or look the other way—is far from popular. When he finds a local hunting outfitter dead, splayed out on the woodpile behind his state-owned home, he takes it personally. There had to be a reason that the outfitter, with whom he's had run-ins before, chose his backyard, his woodpile to die in. Even after the "outfitter murders," as they have been dubbed by the local press after the discovery of the two more bodies, are solved, Joe continues to investigate, uneasy with the easy explanation

offered by the local police. As Joe digs deeper into the murders, he soon discovers that the outfitter brought more than death to his backdoor: he brought Joe an endangered species, thought to be extinct, which is now living in his woodpile. But if word of the existence of this endangered species gets out, it will destroy any chance of InterWest, a multi-national natural gas company, building an oil pipeline that would bring the company billions of dollars across Wyoming, through the mountains and forests of Twelve Sleep. The closer Joe comes to the truth behind the outfitter murders, the endangered species and InterWest, the closer he comes to losing everything he holds dear.

**All Ten: The Ultimate Bowling Feat** Aug 24 2019 For a bowler, taking all ten wickets in an innings is the ultimate statistical feat. It is also a very rare one: in nearly 60,000 first-class matches it has been achieved only 81 times. Surprisingly, although books have been written about Hedley Verity's world record ten for 10 in 1932 and Jim Laker's all-ten in the 1956 Old Trafford Test, nobody has ever written a book describing every all-ten. Until now. All Ten chronicles each all-ten, from Edmund Hinkly's at Lord's in 1848 to Zulfiqar Babar's at Multan over a century and a half later. All-tens have been taken at many different venues, from famous Test match grounds to outgrounds on which first-class cricket is no longer played. Some were taken by great bowlers such as Colin Blythe and Clarrie Grimmett, some by less well-known ones including Harry Pickett of Essex and Tom Graveney's brother Ken. Some bowlers were at the beginning of their careers, some were nearing the end. You will read about them all here and their very special feat, and maybe wonder why the bowlers at the other end didn't strike even once, why many of the greatest bowlers of all-time never took an all-ten, and why all-tens have become much rarer in the last half century.

**Storm Watch** Dec 29 2019 Wyoming Game Warden Joe Pickett investigates a mysterious death at a secret remote high-tech facility in this riveting new novel from #1 New York Times bestseller C.J. First, he finds the professor's vehicle parked on a remote mountainside. Then Joe finds the professor's frozen and mutilated body. When he attempts to learn more, his investigation is obstructed by federal agents, extremists, and Governor Colter Allen. Nate Romanowski is rebuilding his falconry company—and financing this through crypto mining with the assistance of Geronimo Jones. He's then approached by a shadowy group of local militant activists that is gaining in power and influence, and demanding that Wyoming join other western states and secede from the union—by force, if necessary. They ask Nate to throw in with them, but he's wary. Should he trust them, or is he being set up? As a storm of peril gathers around them, Joe and Nate confront it in different ways—and maybe, for the first time, on opposite sides.

Someone has targeted a prominent local judge, shooting at him from a seemingly impossible distance. While the judge was not hit, his wife is severely wounded, and it is up to Joe to find answers—and the shooter. The search for the would-be assassin becomes personal when Joe's best friend, Nate Romanowski --just as he's adjusting to the arrival of his first child--falls under suspicion for the crime. It's a race against the clock as Joe tries to clear Nate's name and identify the real shooter, all while deciphering the grizzly encounter. Beset by threats both man-made and natural, the two men must go to great lengths to keep their loved ones safe.
