*Katharine Kerr has enchanted readers with her magical Deverry and Westlands cycle, and now she brings to a breathtaking conclusion the epic saga begun with The Red Wyvern and The Black Raven. The final chapter begins in the holy city as it rises from the ashes of Deverry's long wars. Prince Maryn prepares to claim the high kingship, but still the rebel Boar clan stands fast against him. And at court, his illicit passion for the young dweomer apprentice, Lilli, threatens to revive a curse that only she -- at her own peril -- can lift. It is a drama that will be played out centuries later in the city of Cerr Cawnen. Among the many who take refuge in the lakeside citadel, nestled in a volcano's shadow, are a Westfolk band guided by the elven enchantress Dallandra and protected by Rhodry Maelwaedd and his fiery guardian dragon. Meanwhile, from the north come the savage Horsekin slavers, ancient foe of the Westfolk, now bent on the domination of Cerr Cawnen. They are awaited by the sorceress Raena, their self-sworn high priestess and the votary of an evil goddess. Now, as Rhodry and Raena renew their timeless enmity, the fate of the city and every soul within it hangs in the balance -- and on an act of self-sacrifice dangerous beyond imagining. Once there were three worlds, each with their own people. Then, fleeing out of the void, on the edge of extinction, came the Charon. And the balance changed for ever.*

*Kurtz's well-deserved place among the finest storytellers and world-builders in all of fantasy fiction. The penultimate instalment in Katharine Kerr's bestselling fantasy series. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BUZZFEED AND KIRKUS REVIEWS • With deeply moving human drama, nail-biting suspense—and bold speculation informed by a degree in physics—C. A. Higgins spins a riveting science fiction debut guaranteed to catapult readers beyond their expectations. Serving aboard the Ananke, an experimental military spacecraft launched by the ruthless organization that rules Earth and its solar system, computer scientist Althea has established an intense emotional bond—not with any of her crewmates, but with the ship's electronic systems, which speak more deeply to her analytical mind than human feelings do. But when a pair of fugitive terrorists gain access to the Ananke, Althea must draw upon her heart and soul for the strength to defend her beloved ship. While one of the saboteurs remains at large somewhere on board, his captured partner—the enigmatic Ivan—may prove to be more dangerous. The perversely fascinating criminal whose silver tongue is his most effective weapon has long evaded the authorities' most relentless surveillance—and kept the truth about his methods and motives well hidden. As the ship's systems begin to malfunction and the claustrophobic atmosphere is increasingly poisoned by distrust and suspicion, it falls to Althea to penetrate the prisoner's layers of intrigue and deception before all is lost. But when the true nature of Ivan's mission is exposed, it will change Althea forever—if it doesn't kill her first.
