Ottawa Rewind: A Book of Curios and Mysteries Apr 12 2021 Andrew King is described on his Twitter account as "artist and cartoonist." It is a self-deprecating description for someone whose work can indeed be found in some of the finest art collections in the country, and from time to time, on the comics page of the Ottawa Citizen or the Kitchissippi Times. Andrew is also a detective, which doesn't get mentioned as often, a history sleuth who loves to solve old mysteries. Where exactly is the first house built in Ottawa? Was there really a nuclear reactor once at Tunney's Pasture? And what in the world happened to Ottawa's once famous tiki bar at the Talisman Inn? Andrew has been seeking answers to questions like these since launching the popular website Ottawa Rewind in 2013. In Ottawa Rewind, Andrew has set out to find the location of shipwrecks in the Ottawa River, the playboy bunnies that once worked the Riverside Hotel in Vanier and every last Freemason or Knights Templar symbol built into Canada's Parliament Buildings. *Ottawa Rewind: A Book of Curios and Mysteries* is as much a mystery as a history book. Whimsical and well researched, it is the creative work of a restless and curious mind. Also the book that will finally tell you where an underground tunnel can be found in Ottawa.

The Thursday Murder Club Jan 10 2021 "First published in hardcover in Great Britain by Viking, an imprint of Penguin Books, a division of Penguin Random House Ltd., London"--Copyright page.

The Invention of Hugo Cabret Oct 19 2021 ORPHAN, CLOCK KEEPER, AND THIEF, twelve-year-old Hugo lives in the walls of a busy Paris train station, where his survival depends on secrets and anonymity. But when his world suddenly interlocks with an eccentric girl and her grandfather, Hugo's undercover life, and his most precious secret, are put in jeopardy. A cryptic drawing, a treasured notebook, a stolen key, a mechanical man, and a hidden message from Hugo's dead father form the backbone of this intricate, tender, and spellbinding mystery.

For His Eyes Only Aug 29 2022 The release of Skyfall in 2012 marked the fiftieth anniversary of the James Bond film franchise. It earned over one billion dollars in the worldwide box office and won two Academy Awards. Amid popular and critical acclaim, some have questioned the representation of women in the film. From an aging M to the limited role of the Bond Girl and the characterization of Miss Moneypenny as a defunct field agent, Skyfall develops the legacy of Bond at the expense of women. Since Casino Royale (2006) and its sequels Quantum of Solace (2008) and Skyfall constitute a reboot of the franchise, it is time to question whether there is

a place for women in the new world of James Bond and what role they will play in the future of series. This volume answers these questions by examining the role that women have historically played in the franchise, which greatly contributed to the international success of the films. This academic study constitutes the first book-length anthology on femininity and feminism in the Bond series. It covers all twenty-three Eon productions as well as the spoof *Casino Royale* (1967), considering a range of factors that have shaped the depiction of women in the franchise, including female characterization in Ian Fleming's novels; the vision of producer Albert R. Broccoli and other creative personnel; the influence of feminism; and broader trends in British and American film and television. The volume provides a timely look at women in the Bond franchise and offers new scholarly perspectives on the subject.

The Man with the Golden Gun Sep 25 2019 After being brainwashed to assassinate M, James Bond must win back his boss's trust by taking out "Pistols" Scaramanga, the world's most deadly assassin.

Ian Fleming's James Bond Dec 29 2019 Bond investigates an international nuclear official's secret meetings with terrorists, battles his old enemy SPECTRE, and faces a nearly invincible neoNazi terrorist group

The Life of Ian Fleming Jan 22 2022 From the author of *All the Money in the World* and *The Profession of Violence* comes the definitive biography of James Bond's creator, Ian Fleming. It is now over fifty years since the premiere of *Dr No*, the very first Bond film, with Sean Connery introducing 007 as the glamorous secret agent who would become the single most profitable movie character in the history of cinema. But James Bond was invented by one man, Ian Fleming, a wartime intelligence officer and Sunday Times newspaper man who lived to see only the very beginning of the Bond cult. Pearson, who worked with Fleming at the Sunday Times, based this biography on his own memories of Fleming, on Fleming's private papers, and on a series of interviews with an extraordinary collection of Fleming's contemporaries – family, friends, enemies, teachers, colleagues, mistresses, and former spies from around the world. First published in 1966, John Pearson's famous biography remains the definitive account of how only Ian Fleming could have dreamed up James Bond, for he led a life as colourful as anything in his fiction, which in turn became a covert autobiography.

Charming, debonair and a ruthless womaniser, globetrotting from wartime Algiers to beachside Jamaica, Fleming was as elusive and opaque as his imaginary creation. In his new introduction to this edition, Pearson examines the extent to which Fleming's character informs the movie portrayals of Bond, from Sean Connery through to Daniel Craig, and how Bond himself has achieved immortality beyond Fleming's wildest dreams.

The Battle for Bond Mar 24 2022 Details Kevin McClory's forty year legal battle over the rights to the screen version of James Bond.

You Only Live Twice Nov 07 2020 On the brink of becoming a security risk after the death of his wife, Secret Service agent 007 is sent to Japan and encounters an old enemy.

Ian Fleming Dec 09 2020 A comprehensive 736-page guide to the work of Ian Fleming, *The Bibliography* is not only an indispensable source of information for collectors, enthusiasts, libraries and booksellers alike, but an entertaining and informative volume that will appeal to anyone interested in the James Bond phenomenon.

For Your Eyes Only Feb 29 2020

The Diamond Smugglers Sep 17 2021 DigiCat Publishing presents to you this special edition of "The Diamond Smugglers" by Ian Fleming. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

The Complete Works of Ian Fleming. Illustrated Mar 31 2020 Ian Lancaster Fleming was a British writer who is best known for his postwar James Bond series of spy novels. While working for Britain's Naval Intelligence Division during the Second World War, Fleming was involved in planning Operation Goldeneye and in the planning and oversight of two intelligence units, 30 Assault Unit and T-Force. He drew from his wartime service and his career as a journalist for much of the background, detail, and depth of his James Bond novels. The Bond books were written in post-war Britain, when the country was still an imperial power. As the series progressed, the British Empire was in decline; journalist William Cook observed that "Bond pandered to Britain's inflated and increasingly insecure self-image, flattering us with the fantasy that Britannia could still punch above her weight." The books should be read in publication order. The exception is book 10 - *The Spy Who Loved Me* which is best read out of sequence, earlier or later in the series, so as not to break up the main sequence of 9 - *Thunderball*, 11 - *On Her Majesty's Secret Service*, 12 - *You Only Live Twice*, and 13 - *The Man With the Golden Gun* which MUST be read in that order. 2 - *Live and Let Die* must be read before 6 - *Doctor No*. *Casino Royale* *Live and Let Die* *Moonraker* *Diamonds Are Forever* *From Russia, with Love* *Dr. No* *Goldfinger* *Thunderball* *The Spy Who Loved Me* *On Her Majesty's Secret Service* *You Only Live Twice* *The Man with the Golden Gun* *For Your Eyes Only* *Octopussy* and *The Living Daylights*

Quantum of Solace May 26 2022 An anthology of short fiction chronicling the exploits and adventures of the British agent includes the tales that served as the inspiration for such films as "Octopussy," "The Living Daylights," "For Your Eyes Only," and the "Quantum of Solace."

The Guest List May 02 2020 A REESE'S BOOK CLUB PICK THE NEW YORK TIMES BESTSELLER ONE OF THE NEW YORK TIMES BEST THRILLERS OF THE YEAR "I loved this book. It gave me the same waves of happiness I get from curling up with a classic Christie...The alternating points of view keep you guessing, and guessing wrong." — Alex Michaelides, #1 New York Times bestselling author of *The Silent Patient* "Evok[es] the great Agatha Christie classics...Pay close attention to seemingly throwaway

details about the characters' pasts. They are all clues." -- New York Times Book Review A wedding celebration turns dark and deadly in this deliciously wicked and atmospheric thriller reminiscent of Agatha Christie from the New York Times bestselling author of *The Hunting Party*. The bride – The plus one – The best man – The wedding planner – The bridesmaid – The body On an island off the coast of Ireland, guests gather to celebrate two people joining their lives together as one. The groom: handsome and charming, a rising television star. The bride: smart and ambitious, a magazine publisher. It's a wedding for a magazine, or for a celebrity: the designer dress, the remote location, the luxe party favors, the boutique whiskey. The cell phone service may be spotty and the waves may be rough, but every detail has been expertly planned and will be expertly executed. But perfection is for plans, and people are all too human. As the champagne is popped and the festivities begin, resentments and petty jealousies begin to mingle with the reminiscences and well wishes. The groomsmen begin the drinking game from their school days. The bridesmaid not-so-accidentally ruins her dress. The bride's oldest (male) friend gives an uncomfortably caring toast. And then someone turns up dead. Who didn't wish the happy couple well? And perhaps more important, why?

Einstein Oct 07 2020 NOW A MAJOR SERIES 'GENIUS' ON NATIONAL GEOGRAPHIC, PRODUCED BY RON HOWARD AND STARRING GEOFFREY RUSH Einstein is the great icon of our age: the kindly refugee from oppression whose wild halo of hair, twinkling eyes, engaging humanity and extraordinary brilliance made his face a symbol and his name a synonym for genius. He was a rebel and nonconformist from boyhood days. His character, creativity and imagination were related, and they drove both his life and his science. In this marvellously clear and accessible narrative, Walter Isaacson explains how his mind worked and the mysteries of the universe that he discovered. Einstein's success came from questioning conventional wisdom and marvelling at mysteries that struck others as mundane. This led him to embrace a worldview based on respect for free spirits and free individuals. All of which helped make Einstein into a rebel but with a reverence for the harmony of nature, one with just the right blend of imagination and wisdom to transform our understanding of the universe. This new biography, the first since all of Einstein's papers have become available, is the fullest picture yet of one of the key figures of the twentieth century. This is the first full biography of Albert Einstein since all of his papers have become available -- a fully realised portrait of this extraordinary human being, and great genius. Praise for *EINSTEIN* by Walter Isaacson:- 'YOU REALLY MUST READ THIS.' Sunday Times 'As pithy as Einstein himself.' New Scientist '[A] brilliant biography, rich with newly available archival material.' Literary Review 'Beautifully written, it renders the physics understandable.' Sunday Telegraph 'Isaacson is excellent at explaining the science.' Daily Express

Octopussy and The Living Daylights Nov 27 2019 From the legacy of Ian Fleming come these two recently discovered short novels—superb examples of *JAMES BOND AT HIS BEST* They were written by 007's creator before his death and are published here in book form for the first time. *OCTOPUSSY* is set in Fleming's favourite pleasure paradise, Jamaica in the British West Indies. *THE LIVING DAYLIGHTS* takes place in, what is for Fleming, a new kind of locale: the border territory that divides East and West Berlin. In both novellas Fleming gives the audacious Bond the power of life—or death—over two very different adversaries. Bond's first

quarry is a rather odd Englishman, the very proper Major Dexter Smythe. Smythe is a retired officer of the Royal Marines. He is a man of no visible wealth, yet he lives in luxurious idleness. His pet diversion—indeed his obsession—is a dangerous experiment that he is conducting with a predator of the deep, with a many-tentacled beauty whom he fondly has named Octopussy.... Bond's second target is one of Fleming's most tantalizing villains, a person whom Bond, and the reader, glimpses but never meets. M. sends Bond to West Berlin to safeguard the escape of Number 272, a British agent who is privy to Russia's top-secret atomic plans. Agent 272 is to make his break for freedom across the East Berlin frontier. The big trouble is: the KGB knows the escape plan and that plan cannot be changed. They have assigned their best sniper, Trigger, to shoot 272 on the run, on a certain street, at a certain time. Armed with a .308-caliber International Experimental Target rifle, Bond must stake out the sniper and kill him before he kills 272...

Shaken Feb 20 2022 Readers can explore James Bond creator Ian Fleming's writing on the pleasures of drinking and mix themselves fifty delicious cocktails from recipes inspired by his books and developed by award-winning London bar, Swift. Both Bond and Fleming were partial to a stiff drink. In both fiction and real life, cocktails were an important and well-chosen accompaniment to adventure and daring and often relaxing. Fleming made the Martini famous with Bond's ritual of always ordering it "shaken, not stirred". But in every James Bond book a wide selection of strong, sophisticated and carefully crafted drinks are essential details to the story. The recipes in *Shaken* are divided into five categories: Straight Up; On the Rocks; Tall; Fizzy; and Exotic. Sip on inventions such as Smersh, Moneypenny, That Old Devil M and Diamonds Are Forever, as well as classic Bond cocktails such as the Vesper—and, of course, the Dry Martini. Each recipe is illustrated by a stunning full-color photo of the drink and wonderful extracts from Fleming's writing—taken from the passage where the drink was featured or a place, character, or plot that inspired it. *Shaken* features a foreword written by the novelist's nephew, Fergus Fleming, as well as plenty of his writing on whisky, gin, rum, and other spirits.

Ian Fleming's Inspiration Oct 31 2022 James Bond is possibly the most well known fictional character in history. What most people don't know is that almost all of the characters, plots and gadgets come from the real life experiences of Bond's creator - Commander Ian Fleming. In this book, we go through the plots of Fleming's novels explaining the real life experiences that inspired them. The reader is taken on a journey through Fleming's direct involvement in World War II intelligence and how this translated through his typewriter into James Bond's world, as well as the many other factors of Fleming's life which were also taken as inspiration. Most notably, the friends who Fleming kept, among whom were Noel Coward and Randolph Churchill and the influential people he would mingle with, British Prime Ministers and American Presidents. Bond is known for his exotic travel, most notably to the island of Jamaica, where Fleming spent much of his life. The desk in his Caribbean house, Goldeneye, was also where his life experiences would be put onto paper in the guise of James Bond. As the island was highly influential for Fleming, it features heavily in this book, offering an element of escapism to the reader, with tales of a clear blue sea, Caribbean climate and island socialising. Ian Fleming might have died prematurely aged 53, but so much of him lives on to this day through the most famous spy in the world, James Bond.

The Complete James Bond Short Stories Dec 21 2021 Features 9 short stories written by Ian Fleming starring his most famous creation, the MI6 super-spy James Bond. Includes stories such as *For Your Eyes Only* and *Quantum of Solace*. James Bond is one of the most iconic characters in 20th-century literature. In addition to the 12 novels and 9 short stories written by Ian Fleming, there have been over 40 novels and short stories written about the spy by other authors, and 26 films produced starring actors such as Sean Connery and Daniel Craig as 007. Penguin Random House Canada is proud to bring you classic works of literature in e-book form, with the highest quality production values. Find more today and rediscover books you never knew you loved.

For Your Eyes Only Apr 24 2022 Sudden emergencies and beautiful girls who aren't quite what they seem and are the stock-in-trade of James Bond. And when 007 is on the case there's only one thing you can be sure of-the result will be thrilling. And whether he's dealing with the assassination of a Cuban thug in America, the destruction of an international heroin ring, or sudden death in the Seychelles, Bond gets the job done. In his own suave and unmistakable style. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

A James Bond Omnibus Feb 08 2021

Goldfinger Jun 02 2020

LIFE 50 Years of James Bond Nov 19 2021 Fifty years (and five billion dollars in ticket sales) ago, the dashing Scottish actor Sean Connery declared suavely that he was "Bond, James Bond." Thus began a cinematic series unlike any other. In November 2012, *Skyfall*, the 23rd movie in what is seen as the authorized line of Bond films, will be released, with Daniel Craig (the sixth Bond) again in the lead role. The world will once more stream to the theaters for another dose of Bond. *LIFE* was on the scene in the swinging '60s when James Bond became a cultural icon (in fact, when we put the gold-painted actress Shirley Eaton on the cover in 1964, we helped him along), and now *LIFE* tells the whole story in this commemorative book. Ian Fleming, a high-ranking officer in British Naval Intelligence of World War II, dreamt up his MI6 spy, code number 007, in 1953, and a decade later, with *Dr. No*, *From Russia With Love* and then the smash *Goldfinger*, saw his creation take on a life entirely his own. All the fun of Bond is here: The movies; the reminiscences by the stars; the *LIFE* photo shoots; the knockoffs and spoofs ("*The Man from U.N.C.L.E.*;" "*Get Smart*;" "*I Spy*;" the first *Casino Royale*); the artifacts (a model of Bond's Aston Martin DB5 was one of the best-selling toy of 1965); the trivia and inside information on M, Q and Moneypenny-anything a Bond fan would want, packed into one book and then shaken, not stirred. James

Bond was, back in the day, one of those cultural phenomena tailor-made for LIFE: It was bright and colorful and vibrant. Today, it still is. Happy birthday, and welcome back, Commander Bond.

Diamonds Are Forever Jan 28 2020 "Listen, Bond," said Tiffany Case. "It'd take more than Crabmeat Ravigotte to get me into bed with a man. In any event, since it's your check, I'm going to have caviar, and what the English call "cutlets", and some pink champagne. I don't often date a good-looking Englishman and the dinner's going to live up to the occasion." Meet Tiffany Case, a cold, gorgeous, devil-may-care blonde; the kind of girl you could get into a lot of trouble with-if you wanted. She stands between James Bond and the leaders of a diamond-smuggling ring that stretches from Africa via London to the States. Bond uses her to infiltrate this gang, but once in America the hunter becomes the hunted. Bond is in real danger until help comes from an unlikely quarter, the ice- maiden herself ...

The Sandpit Aug 05 2020 'A remarkable contemporary thriller... A triumph' WILLIAM BOYD A journalist becomes embroiled in a world of secrets and paranoia when a nuclear scientist goes missing. When John Dyer returns to Oxford from Brazil with his young son, Leandro, he expects a quiet life. His time living on the edge as a foreign correspondent is over. But these rainy streets turn out to be just as treacherous as those he used to walk in Rio. Leandro's schoolmates are the children of powerful people, and a chance conversation with another father, Iranian scientist Rustum Marvar, sets Dyer onto a truly dangerous path. Then Marvar disappears. Soon, sinister factions are circling, and become acutely interested in what Dyer knows about Marvar's world-changing discovery... 'An absorbing thriller with shades of John le Carré' Evening Standard 'Exciting... A page-turner' Daily Telegraph

For Your Eyes Only Sep 29 2022 The destruction of a Russian hide-out at SHAPE headquarters near Paris; the planned assassination of a Cuban thug in America; the tracking of a heroin ring from Rome to Venice and beyond; sudden and ghastly death in the Seychelles islands and, in between, a story of love and hate in Bermuda. These are five episodes in a short span of tough life—the life of James Bond, agent number 007 in the Secret Service.

The Help Jul 16 2021 Limited and persecuted by racial divides in 1962 Jackson, Mississippi, three women, including an African-American maid, her sassy and chronically unemployed friend and a recently graduated white woman, team up for a clandestine project against a backdrop of the budding civil rights era. Includes reading-group guide. Reissue. A #1 best-selling novel.

Chitty Chitty Bang Bang Sep 05 2020 Chitty Chitty Bang Bang is the story of a magical transforming car that helps a family to foil a group of gangsters. It is the only children's novel by Ian Fleming, the British author best known for the James Bond stories. The novel was dedicated to his son, though Fleming died before it was published. Penguin Random House Canada is proud to bring you classic works of literature in ebook form, with the highest quality production values. Find more today and rediscover books you never knew you loved.

James Bond: Omnibus Volume 001 Oct 26 2019 James Bond, the world's most famous secret agent, has thrilled audiences for over fifty years with his globe-trotting adventures. THE JAMES BOND OMNIBUS collects eleven of Ian Fleming's original daily comic strips

for the very first time in a mammoth omnibus edition. Including the stories: CASINO ROYALE, LIVE AND LET DIE, MOONRAKER, DIAMONDS ARE FOREVER, FROM RUSSIA WITH LOVE, DR. NO, GOLDFINGER, FROM A VIEW TO A KILL, FOR YOUR EYES ONLY and THUNDERBALL.

Dr. No Jun 14 2021 One of the most famous fictional ever to be created ; James Bond has been adapted in numerous film, dramatic and other media adaptations. The book is the sixth in the series and one of the most famous one. Indeed it was the first book to be adapted in the James Bond Hollywood Franchisee with Sean Connery playing the role of James Bond. The novel centres on Bond's investigation into the disappearance in Jamaica of two fellow MI6 operatives. He establishes that they had been investigating Doctor No, a Chinese operator of a guano mine on the fictional Caribbean island of Crab Key. Bond travels to the island and meets Honeychile Rider and later Doctor No.
