In 1881, a little girl was born in Turkey to an Armenian father and a French mother. Her lifes journey would eventually lead her to immigrate to America, marry, and

run a training camp in Chatham Township, New Jersey, that would host twelve world heavyweight champions and no fewer than seventy-eight International Boxing Hall of Fame inductees. In a well-researched biography, boxing enthusiast Gene Pantalone shares the story of Madame Beya remarkable and fiery pioneer of women in business who stood tall in a sport of men. Pantalone details the history of boxing and the life of Bey as she demanded exemplary behavior from the toughest of men. He shines a light on her ability to connect with people without preconceived notions, her roots in government and opera, and her friendship with President William McKinley. Included are bios of the notable boxers during Madame Beys era. Madame Beys: Home to Boxing Legends shares the fascinating story of an aristocratic woman who managed a training camp for world champion boxers during the early twentieth century. Zoe is the smartest speller and Vanessa is the top actress in the fourth grade, but Winnie doesn't know what she does best until she helps a young neighbor in need. From alphabet to zeugma Storied Words reveals the picturesque stories of 1,000 words that we use to talk about writing. You will learn about: The actual pictures behind our alphabet letters (e.g., "A", the inverted head of an ox; "B," a two-chambered house; "Z," a sword and shield) The surprising common origin of grammar and glamour The literal meanings of our rhetorical devices The "meaningless chatter" in jargon's ancestry The

picturesque origins of the words we use to talk about style The "mock song" of parody How and why the librarian of the great ancient library of Alexandria gave us the komma, the kolon, and the periodos Each chapter begins with an introductory essay followed by alphabetized discussions of individual words. Chapter topics include the writer's tools, patterns of arrangement, style, rhetorical choices, grammar, writers in academe, and publishing. Storied Words is chock full of quotations and anecdotes from writers throughout history; it also contains an essay on the history of the English vocabulary. In search of a place to call home, thousands of Hmong families made the journey from the war-torn jungles of Laos to the overcrowded refugee camps of Thailand and onward to America. But lacking a written language of their own, the Hmong experience has been primarily recorded by others. Driven to tell her family's story after her grandmother's death, The Latehomecomer is Kao Kalia Yang's tribute to the remarkable woman whose spirit held them all together. It is also an eloquent, firsthand account of a people who have worked hard to make their voices heard. Beginning in the 1970s, as the Hmong were being massacred for their collaboration with the United States during the Vietnam War, Yang recounts the harrowing story of her family's captivity, the daring rescue undertaken by her father and uncles, and their narrow escape into Thailand where Yang was born in the Ban Vinai Refugee Camp. When she was six

years old, Yang's family immigrated to America, and she evocatively captures the challenges of adapting to a new place and a new language. Through her words, the dreams, wisdom, and traditions passed down from her grandmother and shared by an entire community have finally found a voice. Together with her sister, Kao Kalia Yang is the founder of a company dedicated to helping immigrants with writing, translating, and business services. A graduate of Carleton College and Columbia University, Yang has recently screened The Place Where We Were Born, a film documenting the experiences of Hmong American refugees. Visit her website at www.kaokaliayang.com. Esme Rockett, also known as MC Ferocious, rocks her suburban Minnesota Christian high school with more than the hip-hop music she makes with best friends Marcy (DJ SheStorm) and Tess (The ConTessa) when she develops feelings for her co-MC, Rowie (MC Rohini). After graduating from high school, class valedictorian Julia travels to Poultney, Vermont, to visit her older sister, and while she is there she learns about long-held family secrets that have shaped her into the person she has grown up to be. Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting. The results are in: observations are not improving teaching and learning. Pertinently, the Gates Foundation's recently completed effort to improve

student outcomes through enhancing the teacher evaluation process failed to achieve substantive improvement. The way observations are currently designed serve as an obstacle to teacher risk-taking. Teachers fear negative evaluations when their pedagogy is rated, and they lack faith in being supported by supervisors because a trusting relationship between them and their observer has not been built. Trust-Based Observations: Maximizing Teaching and Learning Growth is a schema changing evaluation model that understands people perform at their best when they feel safe and supported. It begins with twelve, 20 minute observations per week followed by collegial conversations driven by reflective questions, sharing observed teaching strengths, and the building of safe and trusting relationships with teachers. Add the elimination of rating pedagogical skills and replace it with rating mindset, and teachers trust. When teachers fully embrace risk-taking and innovation, it leads to remarkable teaching transformations and improved student learning. Cherry Ames is back, just as you remember her! The books are just as you remember them, retaining the same look, feel, and sense of adventure and patriotism as when they were first published. With fully illustrated color covers and a soft-finished hardcover format just like the originals, these books will transport you back to the days when you were reading about this spunky young nurse. Series editor and registered nurse Harriet

Forman was inspired by, and remains a devoted fan of, Cherry Ames: "...I was going to follow in her footsteps and become a nurse--nothing else would do. "The United States is still fighting World War II. Cherry Ames is still an Army Nurse, this time aloft--as a flight nurse. Cherry is reunited with her corpsman Bunce--the two of them are in sole charge of ferrying severely wounded men out of the battlefield and to the nearest Army hospital. Much to Pilot Wade Cooper's chagrin, he has been taken off bomber duty to fly the wounded to safety--until Cherry makes him see otherwise. Off duty, the nurses "adopt" 6-year-old Muriel Grainger, who has known nothing but war in her short life, and whose mother has been killed by the Germans. Her father is often out on mysterious errands that cause some to label him a "spy." Cherry makes it her risky business to find out if this is truth or rumor. Bruce Hoffman spent four years in the United States Marine Corps. Two of those years were spent in Vietnam and Okinawa. And My Mother Danced with Chesty Puller is the story of a young Marines adventures during the Vietnam War, sometimes humorous, sometimes hair-raising. The story begins with a young man drawn into the Marine Corps to become an Embassy Marine but he ends up stuck with an office job instead. He struggles to get into the fight in Vietnam, only to be stationed in South Carolina and is offered a part-time job with a bootlegger to ride shotgun. When he finally arrives in Vietnam he discovers that he isnt supposed to be

there, but in Okinawa instead, which turns out to be the land of booze and brothels. He was able to find a few girlfriends along the way, not only in South Carolina and Okinawa, but in Singapore, Taiwan, and Vietnam. Marines weren't all in combat; many were in the rear with the beer. After volunteering three times for Vietnam he was able to transfer to Marine Corps Helicopter Squadron VMO-2, and fly as an Aerial Gunner in UH-1E Huey Helicopters. Finally, he became a Marine in combat. Self-advocacy is a key component to meeting the standards in health, physical education, and social-emotional learning. Infusing Self-Advocacy in Health and Physical Education is a unique publication that provides an interdisciplinary approach to promote the benefits of self-advocacy for every child. Through the use of key teaching and learning elements, like real-world scenarios, lessons, and equity and inclusion sections, the text ensures that all instructors are equipped with tools to prepare students for life's challenges. Ellie is a super-speller! But when her best friend Hannah makes the cut for the spelling bee instead, Ellie discovers that being super doesn't mean she shouldn't study. Although his best friend Rex is excited about going to camp, Pinky is afraid of leaving home. Lucas and Jenna are chosen to attend a camp that promises to turn delinquents into high achieving students, but when they arrive, they realize that the camp is not what it seems. Ten-year-old Pierre François--otherwise known as Pierre the Fantastic

Flying Fish and Pierre the Genius Brain--is an expert at signing his school papers with original names. He's also good at extolling the greatness of France, using weird words like "extolling," dissecting owl vomit, and avoiding The Stinky Chair in math class. What he's not good at is a foolproof bladder. Accidents happen, although this is Top Secret information. So when it's time for the entire fifth grade to go to Adventure Camp, a two-night trip in the wilderness, Pierre would rather complain about the fifth grade meanies, dream of mastering the spelling bee with Jedi skills, and devise ways to meet the fascinating new girl in school. But Adventure Camp is coming for him, along with a wet and icy cold front. Can Pierre muster all his courage and wit to survive nature's onslaught of ice, rain, and other liquid fiascos? How did the party of Lincoln become the party of Trump? From an acclaimed political reporter for The New York Times comes the definitive story of the mutiny that shattered American politics. "A bracing account of how the party of Lincoln and Reagan was hijacked by gadflies and grifters who reshaped their movement into becoming an anti-democratic cancer that attacked the U.S. Capitol."—Joe Scarborough

Jeremy W. Peters's epic narrative chronicles the fracturing of the Republican Party. Insurgency is a fantasia-like story of a party establishment that believed it could control the dark energy it helped foment—right up until it suddenly couldn't. How, Peters asks, did conservative values

that Republicans claimed to cherish, like small government, fiscal responsibility, and morality in public service, get completely eroded as an unshakable faith in Donald Trump grew to define the party? The answer is a tale traced across three decades—with new reporting and firsthand accounts from the people who were there—of populist uprisings that destabilized the party. The signs of conflict were plainly evident for anyone who cared to look. After Barack Obama’s election convinced many Republicans that they faced an existential demographics crossroads, many believed the only way to save the party was to create a more inclusive and diverse coalition. But party leaders underestimated the energy and popular appeal of those who would pull the party in the opposite direction. They failed to see how the right-wing media they hailed as truth-telling was warping the reality in which their voters lived. And they did not understand the complicated moral framework by which many conservatives would view Trump, leading evangelicals and one-issue voters to shed Republican orthodoxy if it delivered a Supreme Court that would undo Roe v. Wade. In this sweeping history, Peters details key junctures and episodes to unfurl the story of a revolution from within. Its architects had little interest in the America of the new century but a deep understanding of the iron will of a shrinking minority. With Trump as their polestar, their gamble paid greater dividends than they’d ever imagined, extending the life

of far-right conservatism in United States domestic policy into the next half century. Through the first seven editions of this enduring text, A. Viola Mitchell shared her knowledge and skills with legions of educators, camp directors, and counselors who participated in the organized camp movement. This classic, highly regarded volume has now been thoroughly updated to provide a 21st-century view of the trends, philosophies, and practices of organized camping. The Eighth Edition retains the overarching emphasis on leadership skills and program activities and ideas, updating their treatment with the latest research on positive youth development and outcomes-based programming. New chapters discuss trends in organized camping, efforts to expand opportunities for camp participation, and strategies to increase physical activity among children and youth. Substantially revised topics include modern behavior management tools and techniques, leadership strategies, problem solving, group processes, and the importance of research and evaluation. Throughout, the authors infuse the discussion with a leave no trace conservation ethic that promotes ways to enjoy the outdoors in a responsible, sustainable manner. The essence of organized camping has remained the same throughout its 150-year history: democratic, group living in the outdoors supported by competent, well-trained leaders. The latest edition of Camp Counseling celebrates that essence in every chapter, illuminated by

more than 120 new photographs as well as numerous illustrations and boxed exhibits. Moreover, extensive, annotated resource lists in every chapter provide countless opportunities to explore topics in greater depth. All paths lead to destruction in the new *Torpedo Ink* novel from #1 New York Times bestselling author Christine Feehan. Savin “Savage” Pajari is convinced he’s not worth a damn thing. He’s not like his brothers. He’s a sadistic monster, a killer—a man no woman could truly love. So it completely throws him when a stranger risks her life for his, pushing him out of the way and taking the hit that would have sent him six feet under. If he had any kind of sense, he’d leave her alone, but Savage can’t get the woman with a smart mouth and no sense of self-preservation out of his head. With one kiss, he’s lost. Seychelle Dubois has spent her entire life not feeling much of anything, until Savage comes along and sets her whole body on fire. Kissing him was a mistake. Letting him get close would be a catastrophe. He’s the most beautiful—and damaged—man she’s ever met. He has a way of getting under her skin, and what he’s offering is too tempting to resist. Seychelle knows so little about Savage or the dangerous world of *Torpedo Ink*, but his darkness draws her like a moth to a flame. Loving him could mean losing herself completely to his needs—needs she doesn’t understand but is eager to learn. But what Savage teaches her could destroy her. MY NEIGHBORHOOD KIDS This book was written to teach

young children how to develop friendship, get along well with others and express kindness. Children who demonstrate self-confidence have a high self-esteem and they feel good about themselves. As you read this book with children, use it as a tool to develop a strong character and increase love through friendship. Nicole Phillips-Hollis is a native of Orlando, Florida and a graduate of Bethune-Cookman University, Daytona Beach, Florida. She lives with her two boys in Orlando. She enjoys writing to inspire young minds to reach their higher potential in life. Her goal is to allow students to see life in a new light through reading. A middle grade novel in verse about Samira, an eleven-year-old Rohingya refugee living in Cox's Bazar, Bangladesh, who finds strength and sisterhood in a local surf club for girls. Samira thinks of her life as before and after: before the burning and violence in her village in Burma, when she and her best friend would play in the fields, and after, when her family was forced to flee. There's before the uncertain journey to Bangladesh by river, and after, when the river swallowed her nana and nani whole. And now, months after rebuilding a life in Bangladesh with her mama, baba, and brother, there's before Samira saw the Bengali surfer girls of Cox's Bazar, and after, when she decides she'll become one. Samira Surfs, written by Rukhsanna Guidroz with illustrations by Fahmida Azim, is a tender novel in verse about a young Rohingya girl's journey from isolation and persecution to sisterhood,

and from fear to power. Jeremy Jackrabbit is excited to enter the jump rope contest. Will he get the jitters? or will his joyful jumping win him a trip to the Jump Rope Hall of Fame? These transcripts present testimony concerning the reauthorization of the Elementary and Secondary Education Act (ESEA), which since 1965 has provided the bulk of federal aid to elementary and secondary schools and related programs. Much of the testimony was from Arizona education officials, school administrators, teachers, civic leaders, and business people who voiced opinions about the efficacy of specific programs and activities funded by the ESEA, particularly those items that they would like to see expanded or improved. Testimony was heard from: (1) United States Representatives from Arizona, Karan English and Jolene Unsoeld; (2) an elementary school principal; (3) a high school counselor; (4) the Arizona state administrator of vocational and technical education; (5) school district officials; (6) staff of the Scottsdale and Mesa chambers of commerce; (7) local education foundations; and (8) educators from the Dial and Motorola corporations. Correspondence and statistical materials from the Arizona Center for Vocational/Technological Education at Northern Arizona University are included. (MDM) HALLBOYS are six linked short stories about the escapades and dreams of young Chip Rock and his pals, the Hallboys, who grow up in the shabby orphanage known as Boys Hall, in the seedy SoCal beach town of No Palms. Can

beautiful motives come from the ugliest settings? They can at Boys Hall. From the chores of scraping seagull poop off the front steps to forever battling the cranky hags at the hated No Palms Women's Club, the Hallboys know all the tricks. Each story mixes humor and humanity while rising to a surprising and memorable ending. They underscore the vivid imagination of children, and their adventures which lead to friendships and bonds that last a lifetime. CHIP ROCK doesn't have a traditional family. As an orphan at BOYS HALL, the wilting orphanage in a sinking SoCal beach town, his 'brothers' are a rag-tag bunch of Hallboys who match wits with the old bats at the Women's Club, fish off the creaking pier, and chase pirates around the ruins of the ancient lighthouse. HALLBOYS shows how shared struggles can build the bonds of friendship -- to forge families and brotherhood. Author Michael Daswick was awarded both of Columbia's finest literary awards, The Bennett Cerf Memorial Prize for Fiction, and the Cornell Woolrich Fellowship for Creative Writing. HALLBOYS is the prequel to the novel, CHIP ROCK and the FAT OLD FART, which describes Chip's heartache and heroics after he's aged out of Boys Hall. The full-scale assault on public education threatens not just public education but American democracy itself. Public education as we know it is in trouble. Derek W. Black, a legal scholar and tenacious advocate, shows how major democratic and constitutional developments are intimately linked to the expansion of public education throughout American history. Schoolhouse Burning is grounded in pathbreaking, original research into how the nation, in its infancy, built itself around public education and, following the Civil War, enshrined education as a constitutional right that forever changed the trajectory of our democracy. Public education, alongside the right to vote, was the cornerstone of the recovery of the war-torn nation. Today's current schooling trends -- the declining commitment to properly fund public education and the well-financed political agenda to expand vouchers and charter schools -- present a major assault on the democratic norms that public education represents and risk undermining one of the unique accomplishments of American society. The sequel to the #1 New York Times bestseller Travel

Team! When you're the smallest kid playing a big man's game, the challenges never stop—especially when your name is Danny Walker. Leading your travel team to the national championship may seem like a dream come true, but for Danny, being at the top just means the competition tries that much harder to knock him off. Now Danny's leaving Middletown for the summer and heading to Right Way basketball camp, where he's out of his element and maybe out of his league. The country's best ballers are in attendance, and Danny will need to raise his game if he wants to match up. But it won't be easy. Old rivals and new battles leave Danny wondering if he really has what it takes to stand tall. "Lupica is at his best when he puts the reader right in the center of the action on the court. His game descriptions are fast, accurate, and exciting. Young sports-fiction fans will eat this up." –Booklist "Sports fans will relish the on-court action, expertly rendered in Lupica's taut prose. This worthy sequel to Travel Team should earn a wide audience." –School Library Journal "Lupica knows his basketball and knows how to spin a page-turner of a story. Those who enjoyed the first installment of Danny's story will be thrilled to read a sequel, and even those middle school readers who are not huge sports fans will want to cheer for Danny Walker, who proves that determination can be a whole lot bigger than height." –VOYA
