**Personal Brand Creation in the Digital Age** Feb 20 2022 Presenting a scientific exploration of personal branding and digital communication, this ground-breaking book aims to fill a gap between theory and practice. Describing how social media can increase brand profiles online, it explains basic terms before investigating the cultural context for online personal branding. With a special focus on YouTube, the author provides a comparative analysis of two countries (USA and Poland) to open further avenues for research into this growing area. An essential read for management and marketing scholars, this study outlines and explores the evolution of media in the digital age from a business perspective, and offers a thought-provoking analysis for those interested in social media. [My GoPro Hero Camera](#) Jul 28 2022 [My GoPro Hero Camera](#) offers a comprehensive introduction to using the most recently released GoPro Hero camera models, including the basic GoPro Hero, GoPro Hero3+ and the GoPro Hero4. All three of these cameras utilize the same basic operating system and menus, but each has slightly different features, functions and possible shooting resolutions for digital images and video. After offering an initial introduction to the cameras themselves, as well as their menus and buttons, this book offers an overview of the different camera housings and mounts available, plus explains how to utilize the GoPro mobile app and computer software. How to best use other "must have" GoPro accessories, including the Wi-Fi Remote and the LCD Touch BacPac display are also covered. Throughout the book are hundreds of shooting tips and strategies that teach readers how to capture the best possible photos and

videos in a wide range of situations. Strategies for shooting professional-quality first and third-person photos/videos, as well as traditional photos/video, plus ways to achieve the best possible results indoors, outdoors, underwater, in low-light situations, and in high-action situations are covered. This book appeals to those who purchased a GoPro camera to take on vacation or to capture "family moments," as well as to more active people who want to capture crystal-clear "action" images or videos of themselves engaged in various activities, using their GoPro camera in conjunction with the best combination of optional camera accessories, housings and mounts, based on their activity and the shooting conditions. How and why all of the accessories, housings, mounts, menu options and camera settings were used to capture the sample content is explained in the text and with plenty of visual examples within the book. Some additional companion video content is available through the Que website.

**Entrepreneurial Marketing** Mar 31 2020 How do you sell an innovative product to a market that does not yet exist? Entrepreneurial businesses often create products and services based on radically new technology that have the power to change the marketplace. Existing market research data will be largely irrelevant in these cases, making sales and marketing of innovative new products especially challenging to entrepreneurs. Entrepreneurial Marketing focuses on this challenge. Classic core marketing concepts, such as segmentation, positioning and the marketing mix undergo an 'extreme makeover' in the context of innovative products hitting the market. Edwin J. Nijssen stresses principles of affordable loss, experimentation and adjustment for emerging opportunities, as well as cooperation with first customers. Containing many marketing examples of successful and cutting edge innovations (including links to websites and videos on the Internet), useful lists of key issues and instructions on how to make a one-page marketing plan, **Entrepreneurial Marketing: An Effectual Approach** provides a vital guide to successfully developing customer demand and a market for innovative new products. This second edition has been thoroughly expanded with: a one-page marketing plan which now focuses on the three entrepreneurial challenges that can be easily adapted; coverage of the customer development process; and updated references and new examples. This book provides students and entrepreneurs with the fundamental tools to succeed in marketing. [Future Hero](#) Jan 10 2021 The start of a thrilling, highly illustrated series about a boy who finds a portal to a legendary world in his local barbershop . . . and learns he's the hero they've been waiting for. For younger fans of Black Panther and Last Gate of the Emperor! Jarell has never quite known where he belongs. He's ignored at home and teased at school for wanting to draw instead of playing sports with the other boys. The only place he's ever felt truly at ease is his local barbershop where the owner hangs Jarell's art up on the walls. When

Jarell discovers a hidden portal in the barbershop, he's transported to a magical world that's unlike anything he's seen before. But it's not just the powerful gods and dangerous creatures that makes this world different--it's that everyone believes Jarell is the hero they've been waiting for.

**Race and Popular Fantasy Literature** Dec 29 2019 This book illuminates the racialized nature of twenty-first century Western popular culture by exploring how discourses of race circulate in the Fantasy genre. It examines not only major texts in the genre, but also the impact of franchises, industry, editorial and authorial practices, and fan engagements on race and representation. Approaching Fantasy as a significant element of popular culture, it visits the struggles over race, racism, and white privilege that are enacted within creative works across media and the communities which revolve around them. While scholars of Science Fiction have explored the genre's racialized constructs of possible futures, this book is the first examination of Fantasy to take up the topic of race in depth. The book's interdisciplinary approach, drawing on Literary, Cultural, Fan, and Whiteness Studies, offers a cultural history of the anxieties which haunt Western popular culture in a century eager to declare itself post-race. The beginnings of the Fantasy genre's habits of whiteness in the twentieth century are examined, with an exploration of the continuing impact of older problematic works through franchising, adaptation, and imitation. Young also discusses the major twenty-first century sub-genres which both re-use and subvert Fantasy conventions. The final chapter explores debates and anti-racist praxis in authorial and fan communities. With its multi-pronged approach and innovative methodology, this book is an important and original contribution to studies of race, Fantasy, and twenty-first century popular culture.

Dummies, your personal GoPro coach. **GoPro!** May 26 2022 Ein paar Zutaten und eine Pfanne reichen noch lange nicht aus, um ein köstliches Essen zu zaubern. Genauso wenig reichen eine Kamera und ein Videobearbeitungsprogramm, um spektakuläre Videos zu erstellen. Vielmehr musst du wissen, wie du damit umgehst. Beim Kochen helfen dir Rezepte. Beim Filmen mit der GoPro hilft dir dieses Buch. Du lernst, wie du spektakuläre GoPro-Videos mit System erstellst, einen Haufen Zeit sparst und dabei richtig Spaß hast - auch wenn du bisher noch nicht so ganz zufrieden mit deinen Ergebnissen warst und kaum Erfahrung mit dem Filmen oder der Videobearbeitung hast. Das Buch begleitet dich bei jedem Schritt auf dem Weg zu deinem Wunsch-Video. Die Kapitel sind so aufgebaut, dass du von A bis Z durch den gesamten Prozess der GoPro-Videoerstellung geführt wirst: • die Planung und Vorbereitung • das Verständnis der Kamera • das Filmen • die Nachbearbeitung Gleichzeitig ermöglicht der Aufbau ein schnelles, gezieltes Nachschlagen der Tipps, die du in deiner Situation gerade brauchst: Welche Einstellung wähle ich? Wie beginne ich mein Video? Wie vermeide ich verwackelte Aufnahmen? Welche Befestigung oder Perspektive eignet sich am besten? Wie hole ich die beste Bildqualität heraus? Wo finde ich gute, passende und legale Musik? Was muss ich überhaupt bei der Videobearbeitung machen? Welche Effekte kann ich wie einbauen? Erspare dir endloses Rumprobieren, zahlreiche Fehlschläge und tonnenweise "papierkorbtafel" Filmmaterial mit diesen bewährten Tipps und Techniken.

*Not a Hero* Oct 26 2019 In the Alaska wilderness, four streetwise boys became men—and brothers Now the crazy ex-military survivalist who plucked Gabriel and three other boys from an abusive foster care home has died. But the sarge leaves them a final mission--to revive the dying town of Rescue. Gabe is done with being a hero. Wounded in body and soul, the retired SEAL simply wants to remain holed up in his isolated cabin. He sure doesn't want to be chief of police in some defunct town. But he has his orders. Audrey needs a place to hide After the Chicago librarian discovers a

horrendous crime, she wakes to an assassin in her bedroom. Injured and terrified, she flees, covering her trail every inch of the way. New name, new ID. New home. As Audrey learns to survive in Rescue, she begins to fall for the town...and the intimidating chief of police who protects it. Can the shy introvert and the deadly police chief find a life together? Despite the discord in town, Gabe is finding his own peace...with the quiet young woman who seems to have no past. She's adorable and caring and so very lost. But how can he trust someone who lies to him with every breath she takes? Cherise Sinclair is my go to author when I want a satisfying read. Heat, emotion, suspense. Farm Animal Transport Sep 29 2022 Most of the 70 billion animals that are farmed in the world are transported at least once in their lives. For improved animal welfare, sustainability, and profitability it is important that everyone involved in the transportation process takes responsibility for doing a good job. This may require legislation and assurance schemes backed up by inspections and driven by consumer awareness and demand. All aspects of the transportation process, including preparation for transport, handling during loading and unloading, handler and driver training, stocking density on the transport container, journey length, and weather have an effect on animal welfare, meat quality, health after transport, and even mortality during transit. These topics are covered in the papers and reviews in this book together with related aspects such as consumer perceptions of animal transport, cleaning of transport coops, and consideration of on-farm slaughter to obviate the need for transport to an abattoir.

The book adds to the knowledge of farm animal transport and highlights areas for future research and improved practice.

Rush - Updated Edition Jul 04 2020 Fully revised and updated, Rush is a richly illustrated history of one of the world's greatest rock bands. In 1974, a Canadian rock band called Rush took the music scene by storm.

Throughout the 1970s and raging into the 1980s, the band grew a tidal wave of followers and produced such hit songs as "Limelight," "Subdivisions," and "Tom Sawyer." Inducted into the Canadian Music Hall of Fame in 1994 and the Rock and Roll Hall of Fame in 2013, this progressive rock, hard rock, and heavy metal band is destined to go down in history as legendary. The band continues to make history today. Rush: The Illustrated History is a fully updated, richly illustrated history from prolific rock journalist and noted Rush authority Martin Popoff. The book follows the world-conquering exploits of Rush band members Geddy Lee, Neil Peart, and Alex Lifeson from the band's formation in Toronto to their fortieth

anniversary celebration and tour. Popoff's stellar history is complemented by LP reviews from a slate of highly regarded music writers, a thorough discography compiled by the author himself, and more than 400 photographs and articles of memorabilia, from candid backstage images and live performance photography to picture sleeves, gig posters, period print ads, ticket stubs, backstage passes, and more. The result is a visually stunning and authoritative review befitting the rock band with one of the most devoted fan bases ever.

**Total Learning** Jun 02 2020 Practical in approach, this popular book explains how to develop and present a comprehensive, developmentally appropriate, and culturally sensitive curriculum for young children. KEY TOPICS: Divided according to the emotional, social, creative, physical, and cognitive selves, this book focuses on the developmental needs of children, rather than on specific subject areas. Designed to encourage children to become independent, creative people, this text advocates curriculum that is age appropriate and emphasizes play as the indicator of learning.
