***Walking Through Fire* Nov 09 2020** The astonishing, Job-like story of how an existence filled with loss, suffering, questioning, and anger became a life filled with shocking and incomprehensible peace and joy. Vaneetha Risner contracted polio as an infant, was misdiagnosed, and lived with widespread paralysis. She lived in and out of the hospital for ten years and, after each stay, would return to a life filled with bullying. When she became a Christian, though, she thought things would get easier, and they did: carefree college days, a dream job in Boston, and an MBA from Stanford where she met and married a classmate. But life unraveled. Again. She had four miscarriages. Her son died because of a doctor's mistake. And Vaneetha was diagnosed with post-polio syndrome, meaning she would likely become a quadriplegic. And then her husband betrayed her and moved out, leaving her to raise two adolescent daughters alone. This was not the abundant life she thought God had promised her. But, as Vaneetha discovered, everything she experienced was designed to draw her closer to Christ as she

discovered "that intimacy with God in suffering can be breathtakingly beautiful."

The ongoing urgency of this season in her life has caused Joni to return to foundational questions about suffering and God's will. *A Place of Healing* is not an ivory-tower treatise on suffering. It's an intimate look into the life of a mature woman of God. Whether readers are enduring physical pain, financial loss, or relational grief, Joni invites them to process their suffering with her. Together, they will navigate the distance between God's magnificent yes and heartbreaking no—and find new hope for thriving in-between.

When Is It Right to Die? Apr 02 2020 More and more people who are terminally ill are choosing assisted suicide. When is it Right to Die? offers a different path with alternatives of hope, compassion, and death with real dignity. Joni Eareckson Tada knows what it means to wrestle with this issue and to wish for a painless solution. For the last 50 years she has been confined to a wheelchair and struggled against her own paralysis. And she sat by the bedside of her dying father, thinking, So much suffering, why not end it all quickly, painlessly? The terminally ill, the elderly, the disabled, the depressed and suicidal, can all be swept up into this movement of self-deliverance. Skip the suffering. Put a quick end to merciless pain and mental anguish. These are tempting enticements to the hurting. Joni doesn't give pat answers. Instead, she gives warm comfort from God and practical help to meet the realities for those facing death. When Is It Right to Die? tells the stories of families who have wrestled with end-of-life questions and found that death with dignity does not necessarily mean three grams of Phenobarbital in the veins. Behind every right-to-die

situation is a family. A family like yours. In her warm, personal way, Joni takes the reader into the lives of families and lets them speak about assisted suicide. What they say is surprising. Whether you have a dying family member, facing moral and medical choices, or struggling with a chronic condition that feels overwhelming, this book will help you find practical encouragement and biblical advice to help you make difficult decisions. This book is revised and updated to examine the current events, trending issues, and the rising acceptance of assisted suicide in this country.

Ordinary People, Extraordinary Faith Jan 12 2021 In spite of a diving accident that has left her paralyzed for more than thirty years, Joni Eareckson Tada has been able to build a life of faith and purpose. The peace she has found as she confronts the painful realities of life as a quadriplegic has made her a hero to many people. In *Ordinary People, Extraordinary Faith*, Joni lets us know who her heroes are. Inside she tells the stories of people who inspire her with their faith and courage. Although Joni has met many famous "heroes of the faith" through her ministry, the lives she shares here are not the Billy Grahams of the world. They are a mother, a housewife, a nursing home resident, a child.

Some are missionaries or pastors; others are bank tellers or data entry clerks. All of these people have touched Joni's life and the lives of others as they found their faith rise to the occasion - to forgive an assailant, to find strength despite the debilitating effects of cerebral palsy, to choose love in the face of racial prejudice, and to discover in the midst of questioning that God Himself is the answer to all questions.

When God Weeps Apr 26 2022 A must-read for anyone who has ever asked God, "Why me?" It's easy to trust God when things are going our way and the world makes sense. But when suffering strikes--especially seemingly senseless suffering--we are filled with doubt and stunned by events spiraling beyond our control. In the midst of suffering, we often question the very foundation of our faith--our belief in the God who says he loves us. Since our trust and obedience rest on God's character, the questions that life's tragedies force us to face are difficult, even frightening: Who is God? Can he really be trusted? What are his purposes in the face of suffering? If he can stop suffering, why doesn't he? Joni Eareckson Tada, a woman who has lived in a wheelchair for more than thirty years, and Steve Estes, a pastor and one of Joni's closest friends, explore the answers. When God Weeps is not so much a book about suffering as it is about God. It tackles tough questions about heaven and hell, horrors and hardships, and why God allows suffering in this life. Through a panoramic overview of what the Bible says about suffering,

the authors make clear who God is, why he permits so much heartache and pain, and how it is we can trust him. With both a practical edge and heartfelt warmth, When God Weeps offers dependence on his love and mercy in spite of our doubts, fears, longings, and questions.

nourish your soul, fill you with hope, and bring you ever closer to the One who never leaves your side. **Story Behind the Book** “In the thirty-seven years I’ve lived as a quadriplegic, I have been forced time and again into the arms of Jesus. Sometimes my paralysis has pushed me down the road to Calvary, like a sheepdog snapping at my heels. Sometimes suffering is like a jackhammer, breaking apart my rocks of resistance and pride. Most often, my wheelchair has dumped me at the foot of the cross, and I have rested there by the overwhelming conviction that I have nowhere else to turn. But that’s okay. In fact, it’s a blessing. It’s all a bruising-of-a-blessing. Because near the cross, in the arms of Jesus, I have discovered deep, sweet, peaceable intimacy with the Savior. It’s an intimacy worth sharing!” —Joni Eareckson Tada

Dark Clouds, Deep Mercy Nov 29 2019 Lament is how you live between the poles of a hard life and trusting God’s goodness. Lament avoids trite answers and quick solutions, progressively moving us toward deeper worship and trust. Exploring how the Bible—through the psalms of lament and the book of Lamentations—gives voice to our pain, this book invites us to grieve, struggle, and tap into the rich reservoir of grace and mercy God offers in the darkest moments of our lives.

Becoming Elisabeth Elliot Dec 31 2019 Elisabeth Elliot was a young missionary in Ecuador when members of a violent Amazonian tribe savagely speared her husband Jim and his four colleagues. Incredibly, prayerfully, Elisabeth took her toddler daughter, snakebite kit, Bible, and journal . . . and lived in the jungle with the Stone-Age people who killed her husband. Compelled by her friendship and forgiveness, many came to faith in Jesus. This courageous, no-nonsense Christian went on to write dozens of books, host a long-running radio show, and speak at conferences all over the world. She was a pillar of coherent, committed faith; a beloved and sometimes controversial icon. In this authorized biography, *Becoming Elisabeth Elliot*, bestselling author Ellen Vaughn uses Elisabeth's private, unpublished journals, and candid interviews with her family and friends, to paint the adventures and misadventures God used to shape one of the most influential women in modern church history. It's the story of a hilarious, sensual, brilliant, witty, self-deprecating, sensitive, radical, and surprisingly relatable person utterly submitted to doing God's will, no matter how high the cost. For Elisabeth, the central question was not, "How does this make me feel?" but, simply, "is this true?" If so, then the next question was, "what do I need to do about it to obey God?" "My life is on Thy Altar, Lord—for Thee to consume. Set the fire, Father! Bind me with cords of love to the Altar. Hold me there. Let me remember the Cross." -Elisabeth

Elliot, age 21
