These beautiful Japanese papers will inspire you to create dozens of origami masterpieces. With instructions included for folding a crane and a masu box (a square box for measuring rice), you'll be hooked on this popular hobby in no time. In addition to 250 sheets of colorful papers in 16 traditional patterns, there are black-and-white patterned papers to color and

fold. Book includes: - More than 250 sheets of beautiful origami paper in 16 traditional Japanese patterns - Basic folding instructions, hints, and illustrated instructions for folding a crane and a masu box This collection teaches you how to fold 37 original origami stars, each from a single square sheet of paper. Great care has been taken to keep each folding sequence elegant. The models are amazing and striking, are enjoyable to fold, and can be used as awards and decorations, and on festive occasions. Several stars use both sides of the paper to highlight interesting color patterns. Duo origami paper, which has a different color on each side, is ideal for these models. Most of the stars are two-dimensional and a few are three-dimensional. Several sets of related stars are included. There are solid-color and two-toned models. The radiant stars each have an impressive alternating color pattern. The twelve-point star looks as if it was woven from strips of paper. The magic star resembles a model made from eight sheets, but is easily folded from a single square, like all the others in this book. Most of the designs are by John Montroll; several are by Russell Cashdollar. The models range from simple to complex, but not too complex. Clear step-by-step instructions show how to fold stars with varying

number of points, shapes, and color patterns. Create miniature versions of your favorite creatures! Realistic Origami Animals shows you how to create 32 exquisite paper animals designed by renowned origami master, Fumiaki Kawahata.
