Heaven has received a lot of attention in recent years as bestselling books and movies have told the stories of people who claim to have been there. But what does the Bible actually say about heaven? What difference does it make? What happens the moment after we die? What will our relationships be like in heaven? Chip Ingram sets aside the hype and myths and digs into the Scriptures to discover what God actually wants us to know about the hereafter. Most importantly, Ingram shows why our understanding of heaven

matters now, in this life. Because what we believe about heaven actually affects us today in ways we may not have imagined. If God changes lives, why is mine stuck in the mud? We all want life change, but achieving it is hard. As Christians, we know we've got God's help. Jesus has made it possible. The Holy Spirit even lives inside us! And yet, too many Christians are stuck in the mud when it comes to life change. What's going on? Can things ever get better? Can my life ever turn the corner? Pastor Chip Ingram's answer is simple: Yes, you really CAN change! With godly wisdom and practical advice drawn straight from Scripture, Chip will help you answer questions such as: Why do so many Christians change so little? Where do we get the power to change? How do you know when you're really changing? How do you break out of a destructive lifestyle? How do you make it last? In *Yes, You Really CAN Change*, you'll learn the difference between living for God's approval and from God's approval. It's time to get off the hamster wheel of Christian expectations. Only when you understand your full acceptance by a loving God can life change begin to happen. Offers a way to be attentive to the voice of God and obedient to the promptings of the Holy Spirit. Young adults are fed up with our sex-saturated culture. They realize that there's more to sex than what the media feeds them, and they realize that there's more to responsibility than "just wait until you're married." Youth want to have God's perspective. Not only that, they want to show their peers there's a better way to relate to the opposite sex. It's time for a revolution. A 180-degree turn is underway. *Sex 180* is a guide to

that revolution. It's more than a book that preaches abstinence before marriage. Sex 180 shows teens what's wrong with the way people talk and think about sex and challenges them to think differently. With solid biblical teaching, interactive sidebars, and real-life stories, teens, parents, and youth leaders will start to think about sex in a whole new way. Provides a clear profile of what it means to be a follower of Jesus, with practical and specific means to live out that life authentically.
