Mademoiselle Victorine May 31 2022 When Victorine Laurent joins the chorus of the grand Paris Opera ballet, she expects to become the mistress of a wealthy man; this is how young women without family survive in the decadent City of Light. Yet when the artist Degas introduces her to Edouard Manet, her life changes dramatically. She agrees to pose for him, and the result is a painting that shocks Paris. Overnight, Victorine becomes the city's most sought after courtesan. When she becomes the favorite of the Duke de Lyon, the power behind the shaky government of Emperor Louis-Napoléon, her continued attraction to Manet becomes dangerous for them both. And when an astonishing secret from Victorine's past comes to light, her carefully constructed world may come crashing down around her. Mademoiselle Victorine transports readers back to nineteenth-century Paris, a time when art, love, and commerce blended seamlessly together.

Victorine du Pont Dec 06 2022 Victorine Elizabeth du Pont, the first child of Eleuthère Irénée du Pont and his wife Sophie, was seven years old when her family emigrated to America, where her father established the humble beginnings of what would become a corporate giant. Through correspondence with friends and relatives from the ages of eight to sixty-eight, Victorine unwittingly chronicled the first sixty years of the du Pont saga in America. As she recovered from personal tragedy, she became first tutor of her siblings and relations. This biography makes the case that Victorine has had the broadest—and most enduring—influence within the entire du Pont family of any family member. The intellectual heir of her venerable grandfather, Pierre Samuel du Pont de Nemours, although Victorine grew up in an age where women's opportunities were limited, her pioneering efforts in education, medicine, and religion transformed an entire millworkers' community.

This Is a Thriller Dec 26 2021 The late 1950s and early 1960s were the golden years of horror television. Anthology series such as *Way Out* and *Great Ghost Tales*, along with certain episodes of *Twilight Zone* and *The Alfred Hitchcock Hour*, were among the shows that consistently frightened a generation of television viewers. And perhaps the best of them all was *Thriller*, hosted by Boris Karloff. In *Thriller* the horror was gothic, with a darker, bleaker vision of life than its contemporaries. The show's origins and troubled history is first discussed here, followed by biographies of such key figures as producer William Frye, executive producer Hubbell Robinson, writers Robert Bloch and Donald S. Sanford, and Karloff. The episode guide covers all 67 installments, providing airdate, production credits, cast, plot synopses and critical evaluations.

Victorine Nov 05 2022 In 1899, Victorine Texier abandons her small French village, her husband, and her two young children to follow her lover to Indochina. She has fallen for Antoine, her childhood sweetheart, and when his work sends him to Asia she is compelled to go with him, and to leave everything she knows behind. Their five weeks together onboard the ship to Indochina are a kind of honeymoon, a prelude to their liberation in a sultry new world of frangipani trees and monsoons. Victorine gives herself over completely to this exhilarating new life of colonial extravagance — that is, until she encounters her youngest sister, who has also been living in Hanoi and Saigon. This reunion, both joyous and tense, reminds Victorine all too painfully of her life and family in France and forces her to confront exactly what she has done. Vividly narrated through a series of flashbacks, *Victorine* is a richly textured and passionate story of rebellion, guilt, and unruly love.

Victorine Jan 03 2020 Victorine is thirteen, and she can't get the unwanted surprise of her newly sexual body, in all its polymorphous and perverse insistence, out of her mind: it is a trap lying in wait for her at every turn (and nowhere, for some reason, more than in church). Meanwhile, Victorine's older brother Costello is struggling to hold his own against the overbearing, mean-spirited, utterly ghastly Hector L'Hommedieu, a paterfamilias who collects and discards mistresses with scheming abandon even as Allison, his wife, drifts through life in a narcotic daze. And Maude Hutchins's Victorine? It's a sly, shocking, one-of-a-kind novel that explores sex and society with wayward and unabashedly weird inspiration, a drive-by snapshot of the great abject American family in its suburban haunts by a literary maverick whose work looks forward to—and sometimes outstrips—David Lynch's *Blue Velvet* and the contemporary paintings of Lisa Yuskavage and John Currin.

Portrait of Victorine Mar 29 2022 Who stole the Picasso from the Paris art school? Who's so anxious to get ahold of great artworks that they're willing to commit murder and kidnapping? Art teacher Lindsay Parker must find out - and must also learn the truth about her new love, Alain Bordeaux. Lindsay Parker expected an exciting life when she moved to teach art in Paris. The excitement, however, proved to be more than she had bargained

for. A Picasso is stolen from the art school. Two previously unknown Cezannes turn up in a junk shop. One of her new friends is kidnapped and another is murdered. Is Lindsay next? Does she, like the others, know too much? And all the while, at her side, is the handsome, brilliant and mysterious Alain Bordeaux. Who is he? How is he connected to the art thefts? And what role is he destined to play in Lindsay's life? To learn the answers, Lindsay must investigate - in the underworld of Paris.

Fallen Stars, Bitter Waters Jan 27 2022 In The Beginning of Sorrows we saw the events leading up to the destruction of America. Now in the aftermath, the epic end-times struggle between good and evil continues. Widespread anarchy and chaos threaten Christians as they seek a hiding place for the resistance. The power of prayer is an invisible resistance to Count Tor vonEisenhalt's evil, so now he is more determined than ever to root out and annihilate every Christian on the planet. Fallen Stars, Bitter Waters is a rousing novel that will open new ways of thinking about what the end-times will be like and what they will mean to believers. Note from Publisher: Due to the overall sales of the first two books in the Omega Trilogy, we regret to report that the third book, Seven Golden Vials, will not be releasing. However, we are happy to announce a new series from Gilbert Morris, debuting in the spring of 2003, tentatively titled "The Creoles." Look for the first book to hit bookshelves early next year.

The Bride of Ivy Green (Tales from Ivy Hill Book #3) Sep 30 2019 Much has happened in idyllic Ivy Hill in recent months, and while several villagers have found new love and purpose, questions remain--and a few dearly held dreams have yet to be fulfilled. Jane Bell is torn. Gabriel Locke is back and has made his intentions clear. But Jane is reluctant to give up her inn and destine another man to a childless marriage. Then someone she never expected to see again returns to Ivy Hill. . . . Mercy Grove has lost her school and is resigned to life as a spinster, especially as the man she admires seems out of reach. Should she uproot herself from Ivy Cottage to become a governess for a former pupil? Her decision will change more lives than her own. A secretive new dressmaker arrives in the village, but the ladies soon suspect she isn't who she claims to be. Will they oust the imposter, or help rescue her from a dangerous predicament? In the meantime, everyone expects Miss Brockwell to marry a titled gentleman, even though her heart is drawn to another. While the people of Ivy Hill anticipate one wedding, an unexpected bride may surprise them all. Don't miss this romantic, stirring conclusion to Tales from Ivy Hill.

Victorine Nov 24 2021 In 1863, civil war is raging in the United States. Victorine Meurent is posing nude, in Paris, for paintings that will be

heralded as the beginning of modern art: Manet's Olympia and Picnic on the Grass. However, Victorine's persistent desire is not to be a model but to be a painter herself. In order to live authentically, she finds the strength to flout the expectations of her parents, bourgeois society, and the dominant male artists (whom she knows personally) while never losing her capacity for affection, kindness, and loyalty. Possessing both the incisive mind of a critic and the intuitive and unconventional impulses of an artist, Victorine and her survival instincts are tested in 1870, when the Prussian army lays siege to Paris and rat becomes a culinary delicacy. Drēma Drudge's powerful first novel Victorine not only gives this determined and gifted artist back to us but also recreates an era of important transition into the modern world.

Not What She Seems Oct 04 2022 "When billionaire Steven Ashton couldn't stand his high-society social life anymore, he left the stress of New York on a vacation for his soul. The need to meet real down-to-earth people led him to a small Nebraska town he remembered visiting as a child. He didn't want to lie about who he was, but he couldn't exactly tell them the truth. Emily could have easily fallen in love with Steven, under different circumstances, but her past was catching up with her and she needed a new life. If the authorities found out about her, she could lose the one thing that meant everything--her four-year-old son."--Amazon.
