gnarly storybook! Nickelodeon is the highest rated daytime channel in the country, and its cultural influence has grown at an astounding pace. Why are Nickelodeon shows so popular? How are they developed and marketed? And where do they fit in the economic picture of the children's media industry? Nickelodeon Nation, the first major study of the only TV channel just for children, investigates these questions. Intended for a wide range of readers and illustrated throughout, the essays in Nickelodeon Nation are grouped into four sections: economics and marketing; the production process; programs and politics; and viewers. The contributors—who include a former employee in Nick's animation department, an investigative journalist, a developmental psychologist who helped develop Blue's Clues, and television and cultural studies scholars—show how Nickelodeon succeeds, in large part, by simultaneously satisfying both children and adults. For kids, Nick offers gross-out jokes and no-holds-barred goofiness, while for adults it offers a violence-free world, ethnic and racial diversity, and gender parity. Nick gives kids the fun they want by gently violating adult ideas of propriety, and satisfies adults by conforming to their vision of "quality" children's programming. Nickelodeon Nation shows how, in only twenty years, Nickelodeon has transformed itself from the "green vegetable network"—distasteful for kids but "good for them," according to parents—into a super-cool network with some of the most successful shows on the air. This ground-breaking collection fills a major gap in our understanding of both contemporary children's culture and the television industry. Contributors include: Daniel R. Anderson, Sarah Banet-Weiser, Henry Jenkins, Mark Langer, Vicki Mayer, Susan Murray, Heather Hendershot, Norma Pecora, Kevin S. Sandler, Ellen Seiter, Linda Simensky, and Mimi Swartz. Nickelodeon nostalgia has become a cottage industry unto itself: countless podcasts, blogs, documentaries, social media communities, conventions, and beyond. But a little less than a decade ago, the best a dyed-in-the-wool Nick Kid could hope for when it came to coverage of the so-called Golden Age (1983–1995) of the Nickelodeon network was the infrequent listicle, op-ed, or even rarer interview with an actual old-school Nick denizen. Pop culture historian Mathew

Klickstein changed all of that when he forged ahead to track down and interview more than 250 classic Nick VIP's to at long last piece together the full wacky story of how Nickelodeon became "the Only Network for You!" Celebrate the fortieth anniversary of Nickelodeon with this special edition of SLIMED! that includes a new introduction by Nick Arcade's Phil Moore in addition to a foreword by Double Dare's Marc Summers and an afterword by none other than Artie, the Strongest Man in the World himself (aka Toby Huss). Club Best Books selection * A "New and Noteworthy" selection by USA Today In celebration of The Simpsons thirtieth anniversary, the show's longest-serving writer and producer offers a humorous look at the writing and making of the legendary Fox series that has become one of the most revered artistic achievements in television history. Four-time Emmy winner Mike Reiss—who has worked on The Simpsons continuously since episode one in 1989—shares stories, scandals, and gossip about working with America's most iconic cartoon family ever. Reiss explains how the episodes are created, and provides an inside look at the show's writers, animators, actors and celebrity guests. He answers a range of questions from Simpsons fans and die-hards, and reminisces about the making of perennially favorite episodes. In his freewheeling, irreverent comic style, Reiss reflects on his lifetime inside The Simpsons—a personal highlights reel of his achievements, observations, and favorite stories. A struggling writer journeys through the world of fan conventions, collectible merch and more in this satirical novel—a “searing critique of geek culture” (Washington Post). As with so many members of his generation, down-on-his-luck writer-filmmaker Milton Siegel has an unhealthy fixation on the TV shows, movies, books, music, and celebrities from his childhood that spanned the 1980s and 1990s. Unlike many of his generation, Milt has spent most of his (so-called) life chronicling this same pop culture of his youth. After leaving his job at a regional newspaper, Milt embarks on a quixotic journey across the country to promote his latest project. Along the way, Milt contends with a horde of manic nerds, an inexplicable rash of natural disasters, clickbait-savvy media pundits, ambitious pseudo-celebrities, a seductive stripper, ultra-competitive frenemies, and his own sense of the precarious future while being so embroiled in his childish past.
