[Light of the Stars: Alien Worlds and the Fate of the Earth](#) Apr 12 2021 Winner of the 2019 Phi Beta Kappa Award for Science "A valuable perspective on the most important problem of our time."
—Adam Becker, NPR [Light of the Stars](#) tells the story of humanity 's coming of age as we realize we might not be alone in this universe. Astrophysicist Adam Frank traces the question of alien life from the ancient Greeks to modern thinkers, and he demonstrates that recognizing the possibility of its existence might be the key to save us from climate change. With clarity and conviction, [Light of the Stars](#) asks the consequential question: What can the likely presence of life on other planets tell us about our own fate?

[Sail Away](#) Sep 29 2022 The pampered daughter of a successful hotelier, Marnie Montgomery had everything she ever wanted— except independence. Now that would change. No man would ever again tell her what to do—certainly not infuriating, domineering, undeniably attractive Adam Drake. Adam was determined to clear his name of the false charges that had ruined his career at Montgomery Inns. If that meant deceiving the Montgomery daughter, and even stowing away on her boat, so be it. If she had secrets, he would discover every single one....

[Jake Drake, Bully Buster](#) Oct 26 2019 Jake recounts his second grade introduction to Link Baxter, SuperBully, who becomes his class project partner, with surprising results. When Jake was three years old at Miss Lulu's Dainty Diaper Day Care Center, what did he know about bullies? Nothing. But he learned fast! Why? Because Jake was kind of smart and not a tattletale, and he had no big brother to protect him. He was a perfect bully magnet. But everything changed the year Jake was in second grade. That's when SuperBully Link Baxter moved to town. Jake had his hands full just trying to

survive, until class project time. Who did the teacher assign to be Link's partner? You guessed it. Jake has to use all his smarts -- and his heart as well -- to turn himself from Jake Drake, Bully Magnet, to Jake Drake, Bully Buster.

The Assassin's List Jan 02 2023 A master terrorist is sent to America with 25 million dollars to recruit angry criminals who were converted to Islam while in prison, and train them as assassins. In the last days before the first kill on the assassin's list, Adam Drake, an attorney helping a client deal with the murder of his secretary by one of the novice assassins, picks up the scent of the terror plot. When the assassins try to kill him and the FBI won't act on his suspicions, Drake must rely on his training and skills as a former Delta Force operative to prevent an assassination that's designed to fracture America along fault lines of religion and race.

Expecting Adam Jan 28 2020 “ A wonderful book, funny unbelievably tender, and smart. It shimmers. ” --Anne Lamott Includes an all-new afterword about Adam. John and Martha Beck had two Harvard degrees apiece when they conceived their second child. Further graduate studies, budding careers, and a growing family meant major stress--not that they'd have admitted it to anyone (or themselves). As the pregnancy progressed, Martha battled constant nausea and dehydration. And when she learned her unborn son had Down syndrome, she battled nearly everyone over her decision to continue the pregnancy. She still cannot explain many of the things that happened to her while she was expecting Adam, but by the time he was born, Martha, as she puts it, "had to unlearn virtually everything Harvard taught [her] about what is precious and what is

garbage."

Drake's Quest Feb 20 2022 Charlie Drake has hit the high seas. A mere teenager, his family has fallen apart and he's on a quest to find out what he can about his real father. On board the Churchill, swabbing the deck in exchange for room and board, he meets Mac, another young sea dog, and they prove themselves useful as more than scullery workers when the crew gets in a jam. Thankfully that happens with some regularity, keeping Drake's Quest exciting throughout... There are definite echoes of Tom Sawyer and Huckleberry Finn here, but with the Bahamas and Atlantic Ocean standing in for the mighty Mississippi. Drake's Quest will be a strong motivator for reluctant readers of both sexes, but boys in particular will appreciate the violence, gross-out humor, and some sexually suggestive and scatological references, while soaking up facts about Leonardo da Vinci, world history, and nautical terminology. - ForeWord Reviews

Luscious Sep 05 2020 *** Previously included in the Sweet Seduction boxed set. *** A man who lost his future... Macon Miles knows what it means to make sacrifices for his country. Married to his high school sweetheart, he once had a promising future in the military and everything seemed complete. All that changed when a routine patrol in Afghanistan turned into a nightmare. When the dust settled, Macon had lost his career, his wife, and his leg. Lost and alone, his only comfort comes from his newfound love of cooking. When his estranged brother, Adam, offers him a new home and a chance to work at a friend's restaurant in Dallas, it's an offer he can't refuse. A woman searching for the past... Allyson Jones made her foster mother a deathbed promise. She would find out what really happened to Ronnie in Afghanistan. Ally doesn't believe the Army's reports about her foster brother's death, and she knows only one man can tell her what really happened—Macon Miles. Following him to Dallas, she gets a job working alongside him at Top, Sean Taggart's decadent new restaurant. She is sure Macon is hiding something about Ronnie's death, and she'll do whatever it takes to unravel the mystery. When circumstances force Macon and Ally together, their chemistry is hotter than any dish at Top. But when Ally's deception is exposed and the truth about Ronnie's death is revealed, will they be able to reclaim the love they've lost?

The Aldo Moro Murder Case Sep 25 2019 Aldo Moro's kidnapping and violent death in 1978 had much the same effect in Italy as the assassination of President John F. Kennedy had in the U.S., with both cases giving rise to endless conspiracy theories. Drake provides a detailed portrait of the tragedy and its aftermath as complex symbols of a turbulent age in Italian history.

Special Counsel May 26 2022 A new cold war is forging a dangerous alliance between two of America's oldest enemies. Both want to rebuild old empires; one with its bloody sword and the other by arming its proxies to do its fighting. Iran is ready to retaliate against the U.S. for Israel's attack on its nuclear facilities. Russia has the weapons to make the strike a success. Unless they're stopped in time, Iran and Russia will soon be fighting each other for world domination when America is annihilated. Unless one man recognizes the treachery and stops them.

Gray's Atlas of Anatomy E-Book Jul 28 2022 Clinically focused, consistently and clearly illustrated, and logically organized, Gray's Atlas of Anatomy, the companion resource to the popular Gray's Anatomy for Students, presents a vivid, visual depiction of anatomical structures. Stunning illustrations demonstrate the correlation of structures with clinical images and surface anatomy - essential for proper identification in the dissection lab and successful preparation for course exams. Build on your existing anatomy knowledge with structures presented from a superficial to deep orientation, representing a logical progression through the body. Identify the various anatomical structures of the body and better understand their relationships to each other with the visual guidance of nearly 1,000 exquisitely illustrated anatomical figures. Visualize the clinical correlation between anatomical structures and surface landmarks with surface anatomy photographs overlaid with anatomical drawings. Recognize anatomical structures as they present in practice through more than 270 clinical images - including laparoscopic, radiologic, surgical, ophthalmoscopic, otoscopic, and other clinical views - placed adjacent to anatomic artwork for side-by-side comparison. Gain a more complete understanding of the inguinal region in women through a brand-new, large-format illustration, as well as new imaging figures that reflect anatomy as viewed in the modern clinical setting. Evolve Instructor site with an image and video collection is available to instructors through their Elsevier sales rep or via request at <https://evolve.elsevier.com>.

The Blue, the Gray, and the Green Aug 17 2021 An unusual collection of Civil War essays as seen through the lens of noted environmental scholars, this book's provocative historical commentary explores how nature--disease, climate, flora and fauna, etc.--affected the war and how the war shaped Americans' perceptions, understanding, and use of nature.

Catch a Falling Star Jul 04 2020 A deliciously charming novel about finding true love . . . and yourself. Nothing ever happens in Little, CA. Which is just the way Carter Moon likes it. But when Hollywood arrives to film a movie starring former child star turned PR mess Adam Jakes, everything changes. Carter's town becomes a giant glittery set and, much to her annoyance, everyone is starry-eyed for Adam. Carter seems to be the only girl not falling all over herself to get a glimpse of him. Which apparently makes her perfect for the secret offer of a lifetime: playing the role of Adam's girlfriend while he's in town, to improve his public image, in exchange for a hefty paycheck. Her family really needs the money and so Carters agrees. But it turns out Adam isn't at all who she thought he was. As they grow closer, their relationship walks a blurry line between what's real and what's fake, and Carter must open her eyes to the scariest of unexplored worlds - her future. Can Carter figure out what she wants out of life AND get the guy? Or are there no Hollywood endings in real life?

Against a Sharp White Background Jan 10 2021 The work of black writers, editors, publishers, and librarians is deeply embedded in the history of American print culture, from slave narratives to digital databases. While the printed word can seem democratizing, it remains that the infrastructures of print and digital culture can be as limiting as they are enabling. Contributors to this volume explore the relationship between expression and such frameworks, analyzing how different mediums, library catalogs, and search engines shape the production and reception of written and visual culture. Topics include antebellum literature, the Harlem Renaissance, the Black Arts Movement; "post-Black" art, the role of black librarians, and how present-day technologies aid or hinder the discoverability of work by African Americans. Against a Sharp White Background covers elements of production, circulation, and reception of African American writing across a range of genres and contexts. This collection challenges mainstream book history and print culture to understand that race and racialization are inseparable from the study of texts and their technologies.

Sacred Target Aug 29 2022 A former special forces soldier who is tired of killing. A female terrorist who is eager to begin killing, starting with Christians in America. When their paths cross, will either of them get what they want? When Adam Drake is retained by the Archdiocese of Portland to evaluate a threat made to its parishioners, "convert to Islam in three days or die," he will have to quickly determine if the threat is real, who's behind the threat and how the church should protect its flock. Because the FBI considers the threat a hoax, Drake will have to hunt down the source of the threat without the help of law enforcement. With time running out and his resources limited, Drake may have to return to the war on terror he left behind and use his lethal skills once more to stop the killing. SACRED TARGET is the seventh book in the Adam Drake series by Scott Matthews. If you like fast-paced political thrillers as current as today's headlines, you'll like the latest installment in this series. Buy SACRED TARGET today to read Adam Drake's latest action adventure!

Colorization Sep 17 2021 A NEW YORK TIMES CRITICS' TOP BOOK OF THE YEAR • BOOKLISTS' EDITOR'S CHOICE • ONE OF NPR'S BEST BOOK OF THE YEAR “ At once a film book, a history book, and a civil rights book.... Without a doubt, not only the very best film book [but] also one of the best books of the year in any genre. An absolutely essential read. ”

—Shondaland This unprecedented history of Black cinema examines 100 years of Black movies—from *Gone with the Wind* to Blaxploitation films to *Black Panther*—using the struggles and triumphs of the artists, and the films themselves, as a prism to explore Black culture, civil rights, and racism in America. From the acclaimed author of *The Butler* and *Showdown*. Beginning in 1915 with D. W. Griffith's *The Birth of a Nation*—which glorified the Ku Klux Klan and became Hollywood's first blockbuster—Wil Haygood gives us an incisive, fascinating, little-known history, spanning more than a century, of Black artists in the film business, on-screen and behind the scenes. He makes clear the effects of changing social realities and events on the business of making movies and on what was represented on the screen: from Jim Crow and segregation to white flight and interracial relationships, from the assassination of Malcolm X, to the O. J. Simpson trial, to the Black Lives Matter movement. He considers the films themselves—including *Imitation of Life*, *Gone with the Wind*, *Porgy and Bess*, the Blaxploitation films of the seventies, *Do The Right Thing*, *12 Years a Slave*, and *Black Panther*. And he brings to new light the careers and significance of a wide range of historic and contemporary figures: Hattie McDaniel, Sidney Poitier, Berry Gordy, Alex Haley, Spike Lee, Billy Dee Williams, Richard Pryor, Halle Berry, Ava DuVernay, and Jordan Peele, among many others. An important, timely book, *Colorization* gives us both an unprecedented history of Black cinema and a groundbreaking perspective on racism in modern America.

Science and Spiritual Practices Oct 07 2020 "I have personally adopted many of the practices Rupert describes in his book and experienced more love, joy, empathy, gratitude, and equanimity as a result. We are all indebted to Rupert, who has tirelessly brought us deep insights from both science and spirituality." --Deepak Chopra The effects of spiritual practices are now being investigated scientifically as never before, and many studies have shown that religious and spiritual practices generally make people happier and healthier. In this pioneering book, Rupert Sheldrake shows how science helps validate seven practices on which many religions are built, and which are part of our common human heritage: meditation, gratitude, connecting with nature, relating to plants, rituals, singing and chanting, and pilgrimage and holy places. Sheldrake summarizes the latest scientific research on what happens when we take part in these practices, and suggests ways that readers can explore these fields for themselves. For those who are religious, *Science and Spiritual Practices* will illuminate the evolutionary origins of their own traditions and give a new appreciation of their power. For the nonreligious, this book will show how the core practices of spirituality are accessible to all. This is a book for anyone who suspects that in the drive toward radical secularism, something valuable has been left behind. Rupert Sheldrake compellingly argues that by opening ourselves to the spiritual dimension, we may find the strength to live more fulfilling lives.

When Thorne McCafferty rushes home to the family ranch, he is thinking only about whether his sister Randi will survive the car wreck that has put her in the hospital. He never expects that Randi's E.R. doctor will be Nicole Stevenson. Nicole has never forgotten the teenage passion she shared with Thorne... or the sting of his unexplained rejection. Now she's all grown up—but he still affects her in the very same way. Will they both be able to move beyond their pasts for a second chance at a happy ending?

FinAnclal Dec 09 2020 Every new fintech uses artificial intelligence (AI). Some gain a competitive advantage. Others solve an old problem in a new way. All see better results than their non-AI competitors. Yet most banks and credit unions aren't even thinking about AI. With the increase in fintechs, we are at a unique time in history where banks, credit unions, and fintechs can work together to solve complex problems, improve service, improve financial performance, and step into the future. If you are a credit union or bank executive, board member, manager, or technophile, this crash course on AI in the financial space is for you!

At Any Turn Mar 12 2021 Millionaire CEO Adam Drake overcame a tortured past to take control of his life and build his own gaming empire. The final piece falls into place with his new-found love for brilliant geek girl blogger, Mia Strong. Now Adam is at the top of his game... until Mia suddenly breaks things off, leaving Adam in the dark. He senses she needs his help but that she's too stubborn or scared to ask. The more he tries to take control, the further she shies away. This is one problem he can't solve by writing a check or a few clever lines of code.
