I wasn't supposed to join the Marines and serve three tours. I'd been groomed to be another kind of warrior. Take over the family real estate empire and ruthlessly make everyone richer. Instead, I'd turned my back on the family bank account, enlisted, and gave the Marines eight years before becoming a bodyguard. Life was perfectly uncomplicated...until an innocent redhead smiled at me and destroyed everything. Now she was going to find out how ruthless a bodyguard could be. FEARLESS: Bodyguard. Sniper. Morally corrupt. The Marines trained me to aim a sniper rifle, but now I sold my skills to the highest bidder. I didn't care who I aimed at. You paid me, I pulled the trigger. So when some rich businessman offered double to get his daughter back, my plan was simple. Get in undetected, recover the hostage, and get out. But then I laid eyes on the half-naked, bleeding

brunette, and changed my mind. Now everyone was going to find out how fearless a bodyguard could be. CALLOUS: Bodyguard. Tracker. Silent observer. Life was in the details. The weight of a government issued rifle, the trajectory of a bullet, the speed of the wind—those details were crucial in the Marines. But outside the military, that level of observation wasn't currency, it was my downfall. Obsessed with a year's old mistake, I went on a mission to win the only woman I'd ever made a promise to. Except standing between me and her was seventeen minutes I couldn't undo. She didn't want that time back, but I did. I wanted every single minute. My fixation growing, she was about to find out how callous a bodyguard could be. The Alpha Bodyguard Series - Where Alpha Heroes come out to play. Almas Aabir, a young and beautiful woman gets expelled from the military and finds it difficult getting another job afterwards. Always stubborn and independent, Angela Grayson thought she could take care of herself. Lucas Delancey knew better. Someone was stalking his best friend's little sister, and Lucas wasn't going to leave her side until he knew she was safe. But she was in over her head. And she knew she could trust Lucas to protect her. She just didn't know if she trusted him not to break her heart again.... A stalker is threatening Adam's client, but keeping him safe is hindered by Logan coming out of the closet at a fan convention. Bodyguard Adam Freeman draws what everyone else thinks is the short straw at the convention for a procedural cop show - as bodyguard to TV actor Logan Brady. Or as the Internet has labeled him, Logan 'Sex God' Brady. For him, it's just a job to keep the man alive but he doesn't count on Adam deciding that this convention is where he comes out to everyone. Logan is the star attraction at yet another convention for his show 'Night Cop', in a London Hotel, but threats have followed him from home, and abruptly they've become more than just words. Having a bodyguard is the last thing he wants but he has to face the fact that someone out there wants to kill him. All he wants is to be alone to think through the biggest decision he's ever going to make, but Adam is way too sexy, and far too close for comfort. "I have a mission—and you're not it." Is it the honey-blond hair? The blue eyes? Gage Prescott can't put his finger on it, but something about the Maple Cove waitress is both sexy and innocent. Not that it matters. The battle-scarred ex-Army Ranger has come to this Montana town as bodyguard to Senator Kelley, not to let a pretty face distract him. Kate Rogers has her own mission. If, while on assignment, the handsome Gage can assist with her sister's abusive husband, she'll accept that gratefully. and HEARTLESS! RELENTLESS: Resourceful. Resolute. Bodyguard. A single diagnosis, and I wasn't good enough. Not for college ball, not for my family, and not for the Marines. Medically discharged before I finished basic training, I was determined to prove myself. Landing a job as a bodyguard for the best security firm in the business was a second chance. It should've been my focus, but a sophisticated blonde walked through the lobby and dismissed me with a single glance. Now she was going to find out how relentless a bodyguard could be. SHAMELESS: Bodyguard. Shadow. Warrior. The Marines trained me to be a weapon, and tactical warfare was in my blood. Then a mission went south and I was medically discharged. Too many years downrange, I didn't fit in the civilian world. Becoming a bodyguard seemed like a solid plan... until I got babysitting duty for a spoiled little rich girl. The only thing worse than the assignment was the client's smart mouth. She thought she could run it—all over me—and not suffer the consequences. Now she was about to find out how shameless a bodyguard could be. HEARTLESS: Bodyguard. Sentry. Explosives expert. There was a reason I was the only Explosive Ordnance Disposal technician in the Marines who'd never sustained any injuries. I didn't take chances, ever, but serving my country as an EOD apparently had a shelf life. Promoted off the front lines, I was given an assignment behind a desk. Instead, I took a civilian job. The security firm seemed like the better option... until a frightened client with haunted eyes lied to me about everything. Now she was going to find out how heartless a bodyguard could be.
