Such is the voice of Shan Sa's unforgettable heroine in her latest literary masterpiece, *Empress*. Empress Wu, one of China's most controversial figures, was its first and only female emperor, who emerged in the seventh century during the great Tang Dynasty and ushered in a golden age. Throughout history, her name has been defamed and her story distorted by those taking vengeance on a woman who dared to become emperor. But now, for the first time in thirteen centuries, Empress Wu (or Heavenlight, as we come to know her) flings open the gates of the Forbidden City and tells her own astonishing tale—revealing a fascinating, complex figure who in many ways remains modern to this day. Writing with epic assurance, poetry, and vivid historic detail, Shan Sa plumbs the psychological and philosophical depths of what it means to be a striving mortal in a tumultuous, power-hungry world. *Empress* is a great literary feat and a revelation for the ages. Welcome to Mithgar, Dennis L. McKiernan's classic bestselling fantasy series of adventure where legends are forged in the fires of sorcery.... For as long as she can remember, the Elven Lady Arin has been besieged by visions from the past—or the future. But none has ever left her so shaken as the one that foretells the fall of Mithgar: images of raging dragons and brutal legions laying waste to everything in their path signifying a devastating war that will threaten the land. There is more to the prophecy than a warning—riddles within the vision that Arin must decipher if she is to prevent the forthcoming destruction. And it will take a journey across countless leagues—connected to a relic of immense power known as the Dragonstone—to find the answers to Mithgar's salvation.... A lawless wilderness. A polished court. Individual fates, each on a quest to expose a system of corruption. The desolate canyons of Alcoro—and the people desperate enough to hide there—couldn't be more different from the opulent glass palace and lush forests of Moquoia. But the harsh desert and gleaming court are linked through their past, present, and future: a history of abductions in the desert to power Moquoia's quarries and factories, and a bleak, inhumane future built on the sweat and sacrifice of these bond laborers. But events unfolding in the present could change everything. In the desert, outlaw Lark—known to most as the Sunshield Bandit—has built a name for herself attacking slavers' wagons and freeing the captives inside. But while she shakes the foundation of Moquoia's stratified society, she also has to fight to protect her rescues—and herself—from the unforgiving world around them. In the Moquoian court, young ambassador Veran hopes to finally make his mark by dismantling the unjust labor system, if he can navigate the strict hierarchy and inexplicable hostility of the prince. And caught in the middle of it all, Tamsin is trapped within four walls, the epicenter of a secret political coup to overthrow the Moquoian monarchy and perpetuate the age-old system of injustice. Separated by seas of trees and sand, the outlaw, the diplomat, and the prisoner are more connected than anyone realizes. Their personal fates might just tip the balance of power in the Eastern World—if that very power doesn't destroy them first. This book is a gripping, long-overdue biography of one of the most intriguing and powerful female figures of Western history: Theodora of Byzantium. Ruthlessly criticized and reviled by her contemporaries, Theodora, the beautiful wife of Emperor Justinian, began her life as the daughter of a bear-keeper and rose to be Justinian's partner in politics as well as in life, ruling from 527 to 548. She stood by his side in Constantinople as he built a "second Rome," waging battles against the Goths and Vandals, quelling nationalist unrest in Egypt, and suppressing a rebellion at their doorstep by mercilessly slaughtering 30,000 in Constantinople's stadium. Theodora's political savvy saved Justinian's empire time and time again. When the European editions of Theodora were published, it was hailed as the "Book of the Year."
