This Happened Here Jan 18 2022 This book examines the Trump phenomenon and presidency as fascist. Fascism here connotes not generically "bad" politics or a consolidated political-economic regime (Mussolini's Italy or Hitler's Germany) but a set of political, movement, and ideological traits understood within the context of the neoliberal-capitalist era. While Trump's election defeat is a respite, the nation is far from out of the

neofascist woods. Defeating the menace will require political and societal restructuring far beyond what is imagined by Democrats. This argument is developed across seven chapters that recount Trump's assault on the 2020 election, specifically define the meaning of fascism as it is used in this book, demonstrate the neofascist nature of the Trump presidency, engage intellectual class Trumpism-fascism-denial, analyze the Trump base, root

Trumpism in a longstanding and indeed founding American white nationalism, examine why Trump rose to power when he did, and suggest paths for fascism-proofing the USA. *This Horrid Practice* Dec 17 2021 'Though stronger evidence of this horrid practice prevailing among the inhabitants of this coast will scarcely be required, we have still stronger to give.' - Captain James Cook This Horrid Practice uncovers an

unexplored taboo of New Zealand history - the widespread practice of cannibalism in pre-European Maori society. Until now, many historians have tried to avoid it and many Maori have considered it a subject best kept quiet about in public. Paul Moon brings together an impressive array of sources from a variety of disciplines to produce this frequently contentious but always stimulating exploration of how and why Maori ate other human beings, and why the practice shuddered to a halt just a few decades after the arrival of Europeans in New Zealand. The book includes a comprehensive survey of

cannibalism practices among traditional Maori, carefully assessing the evidence and concluding it was widespread. Other chapters look at how explorers and missionaries saw the practice; the role of missionaries and Christianity in its end; and, in the final chapter, why there has been so much denial on the subject and why some academics still deny that it ever happened. This Horrid Practice promises to be one of the leading works of New Zealand history published in 2008. It is a highly original work that every New Zealand history enthusiast will want to own and read.
[I've Got This Round](#) Mar 08 2021 A wild and hilarious

journey through adulthood, from actress and comedian Mamrie Hart—the New York Times bestselling author of *You Deserve a Drink*. When Mamrie simultaneously enters her 30s and finds herself single for the first time since college, the world is suddenly full of possibilities. Emboldened by the cool confidence that comes with the end of one's 20s plus the newfound independence of an attachment-free lifestyle, Mamrie commits herself to living life with even more spirit, adventure, and heart than before. Mamrie dives into new experiences at full-tilt and seeks out once-in-a-lifetime opportunities (like meeting the Dixie Chicks), bucket-list goals

(like visiting the Moulin Rouge), and madcap adventures (like going anchors-away on a Backstreet Boys cruise)—all while diving back into the dating world for the first time in a decade. In *I've Got This Round*, readers will find the same shameless honesty and I'll-try-anything-once spirit they loved in Hart's New York Times bestseller *You Deserve a Drink*. Mamrie doubles down on her strong female friendships, her willingness to engage in shenanigans, and her inimitable candor, taking the reader along for the ride. *The Voice of This Calling* Nov 04 2020 Collection of addresses by one of the Church

of England's most loved and respected pastors. *This Book of Starres* Feb 19 2022 A fascinating, accessible book that takes the reader on an intellectual and spiritual journey [Tear Down This Myth](#) Apr 21 2022 In this provocative new book, award-winning political journalist Will Bunch unravels the story of how a right-wing cabal hijacked the mixed legacy of Ronald Reagan, a personally popular but hugely divisive 1980s president, and turned him into a bronze icon to revive their fading ideology. They succeeded to the point where all the GOP candidates for president in 2008 scurried to claim his mantle, no matter

how preposterous the fit. With clear eyes and an ever-present wit, Bunch reveals the truth about the Ronald Reagan legacy, including the following: Despite the idolatry of the last fifteen years, Reagan's average popularity as president was only, well, average, lower than that of a half-dozen modern presidents. More important, while he was in office, a majority of Americans opposed most of his policies and by 1988 felt strongly that the nation was on the wrong track. Reagan's 1981 tax cut, weighted heavily toward the rich, did not cause the economic recovery of the 1980s. It was fueled instead by dropping oil prices, the normal

business cycle, and the tight fiscal policies of the chairman of the Federal Reserve appointed by Jimmy Carter. Reagan's tax cut did, however, help usher in the deregulated modern era of CEO and Wall Street greed. Most historians agree that Reagan's waste-ridden military buildup didn't actually "win the Cold War." And Reagan mythmakers ignore his real contributions -- his willingness to talk to his Soviet adversaries, his genuine desire to eliminate nuclear weapons, and the surprising role of a "liberal" Hollywood-produced TV movie. George H. W. Bush's and Bill Clinton's rolling back of Reaganomics during the 1990s spurred a

decade of peace and prosperity as well as the reactionary campaign to pump up the myth of Ronald Reagan and restore right-wing hegemony over Washington. This effort has led to war, bankrupt energy policies, and coming generations of debt. With masterful insight, Bunch exposes this dangerous effort to reshape America's future by rewriting its past. As the Obama administration charts its course, he argues, it should do so unencumbered by the dead weight of misplaced and unearned reverence.

power, a story of almost unbearable tensions. A modern life played out against the chaos of "me" and the divine order of "we." Marie Dadisman The observations made in this work regarding the social impact of our current social strategies are poignant observations that beckon the reader to evaluate whether, or not, they wish to embrace and support our current paradigms for social order.

Is This It? Nov 16 2021 An honest, positive and personal journey through the angst of adulthood, showing the difference Jesus makes **This Book Has Balls** Dec 05 2020 The sports world according to Michael

Rapaport—actor, Top 50 podcaster, award-winning film maker, and sports fanatic—from the greatest and downright worst athletes, players, teams, and jerseys, but minus statistics, analytics, or anything else that isn't pure hustle in this “hell of a book” (Shaquille O'Neal). In 1979, nine-year-old Michael Rapaport decided he was going to do whatever it took to be a pro baller. He practiced and practiced, but by the time he was fifteen, he realized there was no place for a slow, white Jewish kid in the NBA. So, he found another way to channel his obsession with sports: talking trash. In the “crazy, passionate, funny and intense”

(Colin Cowherd) This Book Has Balls, Rapaport uses his signature smack-talk style and in-your-face humor to discuss everything from why LeBron will never be like Mike, that Tiger needs the ladies to get his golf game back, and how he once thought Mary Lou Retton was his true love. And, of course, why next year will be the year the New York Knicks win the championship. This book is a series of rants—some controversial, some affectionate, but all incredibly hilarious. “Something is wrong with Michael Rapaport but that's what makes him right,” (Charlamagne tha God). **This and That** May 10 2021 I found joy in trivia, learnt from

small interactions. Life itself has no meaning, you have to create. Happiness is in responding than reacting. Delay your negative reaction, you can check your anger and you can avoid heavy damages. You make a living with what you get and life with what you give. What may be a junk for you may be important for others. What is obvious for you need not be for others. The value of your knowledge is what you do with it. Good communication is how you say it than what you say. Learning is more important than earning, never stop learning. The more we know, we realize how less we know. The Monster at the End of this

Book (Sesame Street) Aug 25 2022 Many adults name this book as their favorite Little Golden Book. Generations of kids have interacted with lovable, furry old Grover as he begs the reader not to turn the page—for fear of a monster at the end of the book. “Oh, I am so embarrassed,” he says on the last page . . . for, of course, the monster is Grover himself! This all-time favorite is now available as a Big Little Golden Book—perfect for lap-time reading.

This Book Could Save Your Life Sep 21 2019 You are what you eat. Food and diet have an enormous influence on your health and well-being, but eating the right amount of the

right things - and not too much of the wrong things - isn't easy. But, as in most walks of life, knowledge is power. This book will empower you to eat healthily, lose weight, and sort the fads from the science facts. This is the New Scientist take on a "New Year, New You" book: an eye-opening and myth-busting guide to everything from sugar to superfoods, from fasting to eating like a caveman and from veganism to your gut microbiome. Forget faddy diet books or gimmicky exercise programs, this is what is scientifically proven to make you live longer and to be healthier and happier.

a New York Times best seller!

"Empty bladder before reading." -Laurie Notaro, New York Times bestselling author of *We Thought You Would Be Prettier*. PUBLISHERS WEEKLY: "This sincere, laugh-out-loud confessional from Turner candidly reveals and revels in the flaws and dysfunctions of the author and her family. From family problems, breastfeeding, her experiments with pot in Mexico, and lessons learned in Russia while "major[ing] in vodka," Turner is not afraid to

voice her private thoughts and never takes herself too seriously... refreshingly honest." *This Little Piggy Went to the Liquor Store* chronicles what happens when a little girl who scorns the idea of marriage and children (in favor of becoming a stiletto-wearing, attache-carrying Secret Agent), majors in Russian, minors in Vodka, and then one day finds herself with child... and in-laws. "It's rare for a writer to actually make me laugh out loud, but A.K. Turner does just that." —Robin O'Bryant, New York Times bestselling author of *Ketchup Is a Vegetable and Other Lies Moms Tell Themselves* "I laughed out loud at *Mommy Had a Little Flask*,

but make no mistake, this book is equally heartfelt and humorous as A.K. Turner delves into all the wonders, challenges and horrifying playground moments of parenting – the most extreme sport there is." —Cameron Morfit, *Sports Illustrated* "A.K. Turner is always hilarious, and she doesn't disappoint." —Jen Mann, New York Times bestselling author of *People I Want to Punch in the Throat* "The thing that I can't get over with A.K. Turner is that she is endlessly fresh. Funny, always, but fresh, sweet funny that keeps me coming back again and again...and craving more. Always can't wait to read her latest." —Meredith Spidel, *The*

Mom of the Year “A.K. Turner can turn even the simplest family story into a rollicking, outrageous, hilarious adventure. Buckle up!”
—Michelle Newman, You’re My Favorite Today, contributor to the bestselling humor anthologies I Just Want to Pee Alone and I Just Want to Be Alone, and Community Contributor at Entertainment Weekly “A.K. Turner is the best friend that we dream of having: someone who is smart and eloquent and doesn’t take herself or her life too seriously. That is what makes all of her books so fabulous, you can’t help but envision yourself right alongside of her, cheering her on, laughing out loud and

thanking your lucky stars that you have her in your life.”
—Lynn Morrison, The Nomad Mom Diary, Circle of Moms Top 25 Funny Bloggers, Circle of Moms Top 25 European Bloggers, and contributor to BLUNTmoms and The Huffington Post “A.K. Turner’s writing manages to be both hilarious and heartfelt at the same time. When I read her words, I find myself laughing to the point of tears one minute and then crying real tears the next. It’s writing that makes you feel something. Something real and deep and honest. Which is how writing should be.” —Deva Dalporto, My Life Suckers

2019 "Topical, engaging, personable, and above all, reassuring." -Dr. Jordan B. Peterson, author of 12 Rules for Life From host of The Rubin Report, the most-watched talk show about free speech and big ideas on YouTube right now, a roadmap for free thinking in an increasingly censored world. The left is no longer liberal. Once on the side of free speech and tolerance, progressives now ban speakers from college campuses, "cancel" people who aren't up to date on the latest genders, and force religious people to violate their conscience. They have abandoned the battle of ideas and have begun fighting a battle of feelings. This

uncomfortable truth has turned moderates and true liberals into the politically homeless class. Dave Rubin launched his political talk show The Rubin Report in 2015 as a meeting ground for free thinkers who realize that partisan politics is a dead end. He hosts people he both agrees and disagrees with--including those who have been dismissed, deplatformed, and despised--taking on the most controversial issues of our day. As a result, he's become a voice of reason in a time of madness. Now, Rubin gives you the tools you need to think for yourself in an age when tribal outrage is the only available alternative. Based on his own story as well as his experiences

from the front lines of the free speech wars, this book will empower you to make up your own mind about what you believe on any issue and teach you the fine art of: Checking your facts, not your privilege, when it comes to today's most pervasive myths, from the wage gap and gun violence to climate change and hate crimes. Standing up to the mob against today's absurd PC culture, when differences of opinion can bring relationships, professional or personal, to a sudden end. Defending classically liberal principles such as individual rights and limited government, because freedom is impossible without them. The Progressive Woke

Machine is waging war against the last free thinkers in the world. Don't Burn This Book is the definitive account of our current political upheaval and your guide to surviving it. *This Space of Writing* Aug 13 2021 What does 'literature' mean in our time? While names like Proust, Kafka and Woolf still stand for something, what that something actually is has become obscured by the claims of commerce and journalism. Perhaps a new form of attention is required. Stephen Mitchelmore began writing online in 1996 and became Britain's first book blogger soon after, developing the form so that it can respond in kind to the singular space opened by

writing. Across 44 essays, he discusses among many others the novels of Richard Ford, Jeanette Winterson and Karl Ove Knausgaard, the significance for modern writers of cave paintings and the moai of Easter Island, and the enduring fallacy of 'Reality Hunger', all the while maintaining a focus on the strange nature of literary space. By listening to the echoes and resonances of writing, this book enables a unique encounter with literature that many critics habitually ignore. With an introduction by the acclaimed novelist Lars Iyer, *This Space of Writing* offers a renewed appreciation of the mystery and

promise of writing. [This Book Loves You](#) Nov 28 2022 *This Book Loves You* by PewDiePie is a collection of beautifully illustrated inspirational sayings by which you should live your life. If you follow each and every one, your life will become easier, more fabulous, more rewarding. Imagine what a chilled-out and wonderful human being people would think you were if you lived by the simple principle "You can never fail if you never try." Your wasted life would be an inspiration to others. Think of all the pointless, unhappy striving you could simply give up. Throw away that guitar! Give up on your dreams! Embrace your astounding

mediocrity. *This Book Loves You* has something for everyone--or at least everyone willing to give up and stop caring. If all else fails, remember: "Don't be yourself. Be a pizza. Everyone loves pizza." *They Told Me I Had to Write This* Feb 25 2020 Clem is a boy in strife. This Is a Classic Sep 14 2021
This Is a Classic illuminates the overlooked networks that contribute to the making of literary classics through the voices of multiple translators, without whom writers would have a difficult time reaching a global audience. It presents the work of some of today's most

accomplished literary translators who translate classics into English or who work closely with translation in the US context and magnifies translators' knowledge, skills, creativity, and relationships with the literary texts they translate, the authors whose works they translate, and the translations they make. The volume presents translators' expertise and insight on how classics get defined according to language pairs and contexts. It advocates for careful attention to the role of translation and translators in reading choices and practices, especially regarding literary classics.

A guide to the history of racism and a blueprint for change' —The Guardian Who are you? What is racism? Where does it

come from? Why does it exist? What can you do to disrupt it? Learn about social identities, the history of racism and resistance against it, and how you can use your anti-racist lens and voice to move the world toward equity and liberation. 'In a racist society, it's not enough to be non-racist—we must be ANTI-RACIST.' —Angela Davis Gain a deeper understanding of your anti-racist self as you progress through 20 chapters that spark introspection, reveal the origins of racism that we are still experiencing and give you the courage and power to undo it. Each chapter builds on the previous one as you learn more about yourself and racial

oppression. 20 activities get you thinking and help you grow with the knowledge. All you need is a pen and paper.

Author Tiffany Jewell, an anti-bias, anti-racist educator and activist, builds solidarity beginning with the language she chooses – using gender neutral words to honour everyone who reads the book. Illustrator Aurélia Durand brings the stories and characters to life with kaleidoscopic vibrancy. After examining the concepts of social identity, race, ethnicity and racism, learn about some of the ways people of different races have been oppressed, from indigenous Americans and Australians being sent to

boarding school to be 'civilized' to a generation of Caribbean immigrants once welcomed to the UK being threatened with deportation by strict immigration laws. Find hope in stories of strength, love, joy and revolution that are part of our history, too, with such figures as the former slave Toussaint Louverture, who led a rebellion against white planters that eventually led to Haiti's independence, and Yuri Kochiyama, who, after spending time in an internment camp for Japanese Americans during WWII, dedicated her life to supporting political prisoners and advocating reparations for those wrongfully interned. Learn

language and phrases to interrupt and disrupt racism. So, when you hear a microaggression or racial slur, you'll know how to act next time. This book is written for EVERYONE who lives in this racialised society—including the young person who doesn't know how to speak up to the racist adults in their life, the kid who has lost themself at times trying to fit into the dominant culture, the children who have been harmed (physically and emotionally) because no one stood up for them or they couldn't stand up for themselves and also for their families, teachers and administrators. With this book, be empowered to actively defy

racism and xenophobia to create a community (large and small) that truly honours everyone.

This is My Body Feb 07 2021 This is My Body is a compelling and unforgettably powerful story of trauma, illness, recovery and transformation, told with honesty, courage and resilient good humour. Jennie Hogan, an Anglican priest, has a history of brain injury and illness going back to childhood. In this gripping memoir, memories of the athletic, competitive and fun-loving schoolgirl jostle alongside accounts of invasive emergency medical treatments and the long processes of recovery. She reflects on what it means to live with uncertainty, to become reconciled with a new

identity, and how trust and hope can be regained as a vocation flowers despite the odds. Jennie draws on her experience and her beliefs to pose challenging questions about our relationships with our bodies in an age that is obsessed with body image and physical perfection. She explores the nature of faith in times of crisis, the reality of pain and disability, and what it means to be human and vulnerable, yet made in the image of God.

Whether in government or corporate governance, finance, technology, health or the media - it is ubiquitous today, and there is hardly a current debate that does not call for more transparency. But what does this word actually stand for and what are the consequences for the life of individuals? Can

knowledge from the arts, and its play of visibility and invisibility, tell us something about the paradoxical logics of transparency and mediation? This Obscure Thing Called Transparency gathers contributions by international experts who critically assess the promises and perils of transparency today.

The End of This Day's Business Dec 25 2019 Set more than four thousand years in the future, The End of This Day's Business depicts a truly utopian way of life, a global society in which distinct national cultures are preserved but coexist without competitive nationalism, violence, or war. Women, characterised as the

reasonable sex in this society, care for the earth and all its creatures. Only one price must be paid for this harmony. It is the subjection of men, who, stripped of their history and deprived of any knowledge of women's sacred rights, complacently accept their 'natural' inferiority. The plot turns on the desire of one woman, Grania, an artist and leader, to teach her son what is forbidden for men to know. Risking both their lives, she tells the story of when men dominated, especially of the twentieth-century rise of fascism, and the subsequent world transformation as life-loving women took over from death-loving men.

What is this thing called Knowledge? Mar 20 2022 What is knowledge? Where does it come from? What kinds of knowledge are there? Can we know anything at all? This lucid and engaging introduction grapples with these central questions in the theory of knowledge, offering a clear, non-partisan view of the main themes of epistemology. Both traditional issues and contemporary ideas are discussed in sixteen easily digestible chapters, each of which conclude with a useful summary of the main ideas discussed, study questions, annotated further reading and a guide to internet resources. Each chapter also features text

boxes providing bite-sized summaries of key concepts and major philosophers, and clear and interesting examples are used throughout. The book concludes with an annotated guide to general introductions to epistemology, a glossary of key terms, and a summary of the main examples used in epistemology. This an ideal first textbook in the theory of knowledge for undergraduates coming to philosophy for the first time. The third edition has been revised and updated throughout and features two new chapters, on religious knowledge and scientific knowledge, as part of a whole new section on what kinds of knowledge there are. In

addition, the text as a whole has been refreshed to keep it up to date with current developments.

[This Isn't the Life I Signed Up For Growth Guide](#) Sep 02 2020

Donna Partow shares stories from her life and solid Bible teaching to show women that no matter how life has disappointed them, God can bring new life and hope where there was destruction, unforgiveness, or suffering. The audiobook, condensed to three hours, is read by the author.

[I Live for This!](#) Aug 01 2020 An award-winning sportswriter teams up with LA Dodgers manager and Hall of Famer Tommy Lasorda to reveal the

secrets of his unlikely success. Tommy Lasorda is baseball's true immortal and one of its larger than life figures. A former pitcher who was overshadowed by Sandy Koufax, Lasorda went on to a Hall of Fame career as a manager with one of baseball's most storied franchises. His teams won two World Series, four National League pennants, and eight division titles. He

was twice named National League manager of the year and he also led the United States baseball team to the gold medal at the 2000 Summer Olympics. In I Live for This! award-winning sportswriter Bill Plaschke shows us one of baseball's last living legends as we've never seen him before, revealing the man behind the myth, the

secrets to his amazing, unlikely success, and his unvarnished opinions on the state of the game. Bravely and brilliantly, I Live for This! dissects the personality to give us the person. By the end we're left with an indelible portrait of a legend that, if Tommy Lasorda has anything to say about it, we won't ever forget.
